2 Hello. I'm Dr. Scheidbach, and the Battle For America is ON!

3 [TRUTH]

4 Let's get acquainted.

5 Welcome to your Spiritual Warfare headquarters in The Battle For  
6 America. I'm Dr. Scheidbach, pastor, conference speaker, roaming  
7 professor, host of the Brain Massage<sup>®</sup> show, executive editor of  
8 Dr. Beckum's magazine, *The Intercessor*, author of *God's War:  
9 Why Christians Should Rule the World*, *Kingdom Power by Prayer  
10 and Fasting*, *The New Cart Church*, among other titles, and your  
11 host on *God's War: The Battle For America*.

12 My show addresses current events from a biblical perspective and  
13 offers support for fellow warriors who engage in spiritual warfare,  
14 wrestling against principalities and powers, against the rulers of the  
15 darkness of this world, against spiritual wickedness in high places.

16 Let's get started. We are at war! Ground zero for us is America and  
17 the contest is whether America will continue as one nation under  
18 God or be dragged to the maw of hell to be cast off with all those  
19 nations forget God. For, as you know, God will turn the wicked  
20 into hell and all the nations that forget God — Psalm 9:17.

21 Our weapons are not carnal, but they are mighty—and we have  
22 been given armor to wear in our battle: the belt of truth, the  
23 breastplate of righteousness, the shoes of the gospel, a helmet, a  
24 shield and a sword — but ...

25 Many Christians today, it seems to me, are loosening the belt of  
26 truth to give room to already bloated bellies to gorge on their  
27 carnal appetites, they are looking for the hammock not the helmet,  
28 the breast of another man's wife and not the breastplate of

29 righteousness, they want to wear their dancing shoes, not the  
30 Gospel shoes, they want to swing, but not the sword of the Spirit,  
31 they think to cover all this under a false shield of faith, one of their  
32 own making, constructed out of Scriptures wrested into a cloak of  
33 covetousness—these are rebuked by the Spirit through Jude, for  
34 turning the precious grace of God into lasciviousness—their  
35 affections are set on sensuality—so they have lost their sense—and  
36 dulled their senses to the Spirit, blind to the spiritual realities.

37 Such Christians, if active in recruiting souls to Christ at all, are  
38 salesmen pitching a product, carefully packaged to appeal to  
39 gospel consumers—these are not soldiers declaring the terms of  
40 surrender commanded by Christ—THE COMMAND THAT ALL  
41 MEN EVERYWHERE REPENT AND BELIEVE ON THE  
42 LORD JESUS CHRIST.

43 We are at war! God has called us soldiers, not salesmen.

44 Satan has got most of the world under his power and so Christians  
45 are the most persecuted people on the planet today. America is the  
46 last hope Freedom has in the earth. So the spirit of antichrist and  
47 the Spirit of Jesus Christ are at war over America today. Like in  
48 the days of Daniel—when the Prince of Persia fought for the  
49 dominion against God's mighty angel, Gabriel—Satan wars to  
50 control America today. And he has been winning! But no longer!

51 The children of obedience to the GOSPEL command to repent and  
52 believe are Christ's soldiers of war, and the children of  
53 disobedience to the Gospel are Satan's soldiers in this war.

54 The battle lines are drawn clearly in America today. Those who  
55 hate Christ, rail against Him openly and say, "we will not have that  
56 man to reign over us." They openly call for the murder of babies  
57 up to term, and even after they are born. Rulers among them  
58 openly mock Christianity: Schumer, and AOC, have lately referred  
59 to those of us who believe the Bible as believing fairy tales,—  
60 Hillary scolded Christians that they will have to give up on their  
61 Bible based beliefs, and Obama said America is no longer a

62 Christian nation and ridiculed those he regards as Bible and gun  
63 clingers — Feinstein challenged Kavanaugh's fitness to sit on the  
64 Supreme Court because of his Christian beliefs, the Democrat  
65 Party voted against including an acknowledgment of God in their  
66 Party platform, they routinely show their disdain for public  
67 expressions of faith and effectively cry "let us break their bands  
68 asunder, and cast away their cords from us" just as the Psalmist  
69 prophesied some 1000 years before Christ—

70 They say we will not have Christianity imposed on us — so they  
71 will impose on us their ungodly values, they will force us to  
72 support abortion, the deathly lifestyle of homosexuals, force upon  
73 our children the ridiculous and unnatural notion of gender fluidity,  
74 all of it rooted in their "religion"—the religion of atheism,  
75 secularism, pragmatism, an even a form of pantheism.

76 The same ones who cry against any imposition of Christian  
77 morality upon them eagerly impose their immorality on us. Every  
78 time we step back and concede to their free will to choose against  
79 Christ, to behave ungodly, and wickedly in this world, they occupy  
80 the space yielded and set up a stronghold and from there they to  
81 assault our liberties, our freedoms, our faith, our families, our  
82 values —

83 AWAY with this creeping encroachment upon our God given  
84 inalienable rights. This nation was founded by Christians and upon  
85 Christian values and beliefs — as I shall show!

86 If they want to live under Communism, go to China! Don't turn  
87 America into China. Go to Venezuela; don't turn America into  
88 Venezuela. We who love God are willing to yield to the biblical  
89 principle of freedom of religion, and of conscience, and free will,  
90 for all must insist upon the same. You might live out your wicked  
91 lives rejecting God and hating Christ, and we will grieve for you  
92 and even pray for you—but the minute you start encroaching upon  
93 our DIVINELY GIVEN INALIENABLE RIGHTS—you have  
94 crossed a line. You will find out that God's sheep roar!

95 The spirit of antichrist—hates Christ, hates Jesus, it cries in and  
96 through the children of disobedience—"let us break their bands  
97 asunder and cast away their cords from us," it cries in them, "We  
98 will not have that man, Jesus, to reign over us," it's hatred is  
99 irrational because it is the raging of their father, the Devil — I've  
100 had considerable personal experience with this. Here is one story  
101 of many.

102 In the early days of broadcasting unbelievers would rail against me  
103 saying I had no right to mention Jesus on public airwaves, I had no  
104 right to quote the Bible on the radio—I have broadcasts on secular  
105 stations and I was repeatedly told, you can't say those things on  
106 public radio waves, you can't mention Jesus or quote the Bible.

107 The station manager approached me and advised me to tone down  
108 the "God talk" — he said, Pastor, you are very smart, you can find  
109 a way to make your point without mentioning Jesus or quoting  
110 directly from the Bible — I asked this dear friend, he had become a  
111 friend, I asked him to let me take care of it.

112 I went to the radio the next airing, I used to do it live, they flipped  
113 the switch and I started — I understand some of you are troubled  
114 by my use of, well, let's just say the name of a certain religious  
115 leader, and you don't like it when I quote from a certain religious  
116 book. Well, I would like to conduct a test. Please find your pulse,  
117 there you go, got it? Good! Now, I'm going to mention the name of  
118 some religious leaders and you tell me if your heart rate increases.  
119 Ready?

120 Buddah. Nothing? Good! How about Muhammed (now, this was  
121 before 9/11, so) Nothing? Okay! How about Krishna, nothing!  
122 Confucius. Joseph Smith? Nothing? Hmmm. Okay, how about  
123 Jesus! Yikes — heart rates spiking all over the city. Hey, lady,  
124 grab a bag, breath into the bag slowly, easy now, there you go —  
125 Oh no, over there, that guy is having a heart attack—call 9-1-1,  
126 and you, good night, you are trembling so violently I am afraid you

127 are going to break your phone— no, don't slam the phone so hard  
128 —, look, I'm not responsible for any broken equipment out there.

129 And then I chuckled, and paused, and I asked, why do you suppose  
130 that name, of all the names I mentioned or could have mentioned,  
131 that name bothers you? Well, I'll tell you why, but I'm going to  
132 have to quote from the book our founders used and referenced  
133 more than any other single book, the Book our Presidents have laid  
134 their hand upon to swear an oath to defend the Constitution, the  
135 book that served as the basis of our laws and the teachings of  
136 which shaped our culture — so, let me give you a warning, I'm  
137 going to quote from — you guessed it, THE BIBLE (Bible thump  
138 alert, Bible Thump Alert) — the reason you irrationally react with  
139 so much intensity against the NAME is because it is the ONLY  
140 NAME GIVEN AMONG MEN WHEREBY YOU MUST BE  
141 SAVED, and the DEVIL HATES it. It's the NAME at which  
142 EVERY KNEE SHALL BOW — that will be EXALTED ABOVE  
143 EVERY NAME — it's the NAME whereby the simplest Christian  
144 can make the Devil flee.

145 Well, it all went away! Some called in to apologize for making a  
146 fuss. Today I boldly declare the NAME OF JESUS and quote from  
147 the BIBLE on secular and Christian radio. I regained that territory  
148 in my own little corner of America.

149 Okay, I've come to the end of my time today; I'll be back tomorrow  
150 at this same time and same station.

151 We are going to be studying spiritual warfare and we will be using  
152 my books, Kingdom Power by Prayer and Fasting and God's War:  
153 Why Christians Should Rule the World.

154 Some Christians react negatively to that title. They panic. They are  
155 so afraid of how the world will react to it.

156 It's really not funny how Satan has succeeded to dumb down  
157 American Christians. For example, if an atheist said, Atheists  
158 should rule the world; it would hardly produce a blip on anyone's

159 radar. Communists have been saying it for decades. If someone  
160 said, Secularists should rule the world, no problem: Secularists  
161 believe religion has no place in government. And yet, every  
162 secularist is shaped by some or another form of religious belief,  
163 even if it is *secularism*. If a Muslim said Muslims should rule the  
164 world — everyone ignores it. But if a Christian says, "Christians  
165 should rule the world," everybody freaks out. Why is that?

166 Everywhere Christianity prevails, liberty prevails. Wherever  
167 Christianity is oppressed, tyranny prevails. Just look at a map of  
168 the world and you'll see that wherever Christianity is oppressed, or  
169 suppressed, you find tyranny.

170 Why is that? The Bible says the Spirit of Christ is the Spirit of  
171 liberty. Where the SPIRIT OF THE LORD IS there is LIBERTY.  
172 If you know anything about the Antichrist, you know he is against  
173 Christ, against the saints of God, and he is a tyrant. Well the spirit  
174 of antichrist is in the world today — and wherever the spirit of  
175 antichrist prevails, there is tyranny.

176 In fact, liberty or tyranny is directly relative to how much influence  
177 Christianity has in a culture.

178 You are going to learn how to engage in spiritual warfare against  
179 the spirit of antichrist in this battle for America.

180 There are two textbooks for this course. Kingdom Power by Prayer  
181 and Fasting, and God's War: Why Christians Should Rule the
