## Brain Massage®: Show No. 984

THE VIOLENT BIDEN REGIME / CHRISTIAN NATIONALISM ON THE  
RISE

Original Air Date: 05.04.24

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

The violent take “the kingdom” by force! Biden is an angry, violent, and wicked man! Answers rioting and violence of Pro-Palestinian rioters by claiming it's about FREE speech. The same people who censor us encourage VIOLENCE and DESTRUCTION under the guise of protecting “FREE SPEECH.”

The mystery movements of Trump's Presidential docs. How did these “Classified” documents end up at Mar-a-Lago? You'll be surprised, NOT!

Facebook, YouTube, and Amazon testify that they only passed censorship policies because they were threatened by Biden's government.

VAX Alert no. 500??? TARGETING OUR CHILDREN? A new term enters American medial parlance: Turbo Cancers.

Christian Nationalism — targeting Christians for genocide? What does unChristian Nationalism look like? O'Keefe gives us a peek that behind that curtain that will put fire in your prayer closet!

Epoch Times shows an unsettling correspondence between the American church today and the German churches in the 1930s — silent as the lamb.

Okay, my friends, it's time for your Brain Massage®

[TRUTH]

The violent take “the kingdom” by force!

Biden is an angry, violent, and wicked man!

He answers for the rioting and violence of Pro-Palestinian rioters by claiming it’s about FREE speech. That’s the mantra of the Left today: “Free speech.” They are all for free speech when it’s hate speech against the Jews or Christians. Otherwise, they think it’s an overrated value.

New York Times: Free Speech Is Killing Us.<sup>1</sup> Another one from New York Times: America Has a Free Speech Problem.<sup>2</sup> Much of this sort of thing originates in academia. Here is a scholarly attempt at tapping the breaks on our First Amendment protections: The Moral Discourse of Free Speech: A Virtual Ethnographic Study.<sup>3</sup> Uh, we won’t torture you by reading that here. Check the link! It speaks of the problem of free speech in “an age of disinformation,” as if disinformation is something new!

The same people who censor us encourage VIOLENCE and DESTRUCTION under the guise of protecting “FREE SPEECH.”

Biden, whose administration has weaponized the government to silence a political opponent using bogus criminal charges and a gag order to silence him,<sup>4</sup> promises to protect the “Free Speech” of Pro-Palestinians.

Uh, Mr. McGoo — none of us has a problem with protesting, right? I’m a 60s kid and remember that was a favorite pass time for some.

We only have a problem with violence — you know, destroying property or attacking police. Isn't that what you said about the J6 protestors? We defend their right to protest but draw the line at physical violence and vandalism, right?

Suddenly, however, you can't seem to make that distinction when it comes to the Pro-Palestinian protestors. Look at this.<sup>5</sup> And this.<sup>6</sup> SEE LINKS IN MY NOTES.

You get it when an abortion protestor blocks access to the abortuaries; well, then it's all drop-the-hammer-of-law on them. I mean, even if all a Christian does who is at an abortuary protesting baby murder is defend his own child from a pro-baby killing heckler getting into his face and threatening him — well, then you send the SWAT team to descend on the father at sunrise — but when it's about SENDING THE JEWS BACK TO AUSCHWITZ<sup>7</sup> — destroying property,<sup>8</sup> and physical violence,<sup>9</sup> then it's all about FREE SPEECH.

Be careful here, folks. These people are truly evil. They want to destroy free speech. That's the objective. They know exactly what they are doing. They want you to doubt yourself about free speech.

I agree with Bongino, they use our virtues against us. We value free speech, and so they use that as a cover for their violence — call it

free speech, and we don't want to position ourselves against free speech, now do we?

And I get it; there are some so concerned about how they “look,” all you have to do is call them racist, and they wither away like those snowflakes who find out the job they interviewed for actually involves “working.”

But only a very few buy into that nonsense! To say the LEFT are idiots is too generous. They have enough intelligence to differentiate between riotous behavior and peaceful protesting when it comes to J6 Protestors, but suddenly lose that capacity when it comes to Seattle Mayor Durkan's Summer of Love?<sup>10</sup> You proclaim it “mostly peaceful” while you watch a building aflame, police cars burning in the streets, and kids throwing fire bombs into passing cars, cordoning off entire blocks of a city and patrolling their makeshift “borders” with armed guards — and don't forget Kenosha, and Kyle,<sup>11</sup> RIP to the 25 American killed during that “mostly peaceful” protest.<sup>12</sup>

Every bit of that blood is on your hands Biden — every time you turn your eyes from the destruction of our peace in the name of protecting free speech — but I'm on to you, dude!

I'm not buying it! This is not about these wicked leaders actually believing even their bobble heads are so stupid they can't see what's going on.

You and the rest of the rebellious violent takers of the kingdom are trying to wear us down, using force to bully us into submission. I think you know exactly what you are doing: trying to beat down the American spirit ideal of FREE SPEECH till we let it go! I think you and your ilk hate the First, the Second, the Third, the Fourth, and the Fifth through the Tenth Amendments — every one of these has been targeted by the OBAMA/BIDEN Administration of evil. It has never been clearer that this battle is between the righteous and the wicked.

And you are a wicked ruler, Mr. Biden. You say the J6 Patriot protestors were dangerous insurrectionists, but the Pro-Palestinian protestors are simply asserting their rights of FREE SPEECH. Hah!

We know the difference between peaceful protests and violent usurpation, and so do you! You are not fooling us!

Tucker is right; this is a spiritual war—the spirit behind you, Hussein, Biden, Clinton, Pelosi, Schumer, Schiff, Swalwell, Cortez, Ilhan, Tlaib, Soros, Zuckerberg, and the rest of you — with Schwab, Harari, and the dark-lord puppet masters that control all of you — and the spirit behind you is Baphomet, the Chaos god. Well, I have a message from the SPIRIT OF KING JESUS — I got it straight from the THRONE OF HIS MAJESTY this morning!

Here is His warning to you: KISS THE SON LEST HE BE ANGRY AND YE PERISH FROM THE WAY WHEN HIS WRATH IS KINDLED BUT A LITTLE.

We let them get away with this in the Summer of 2020 in an effort to disrupt the 2020 election, and they are using it now to disrupt the 2024 election.

The BORDER invasion here is ignored when hundreds of billions are sent to protect Ukraine's border with Russia. One of your dupes, that Democrat, Connolly from Virginia, complained he gets accused of neglecting our own border while sending billions to

protect Ukraine's border, and so he tells us Ukraine's border with Russia is our border.<sup>13</sup> Why are we sending the stupidest people we can find to represent us in Congress?

Well, we are not stupid! We know what you are doing, Mr. Biden. We knew all along that the primary reason you are doing everything in your power to get as many illegals flooding into this country as you can is to secure power for the DEMONCRATS in perpetuity. It's funny in a not so funny way how often this happens.

Just a few days ago I was thinking about this border crossing ruse and how I'm sure it's about stuffing the ballot box with fake, illegal votes. About 20 million have crossed — that's almost what Biden will need to cover the machine fraud. I mean, it's one thing to hack the machines and flip votes — we know that can be done, and we know that has been done — that's been proved! But they have to cover those votes with paper ballots, so they need inflated voter rolls and a whole lot of people who will use their fake ballots to stuff the boxes with Biden votes. That's a bit trickier!

So go 100% with mail-in balloting — do you realize that when Democrats go all in for mail-in balloting, it's because they KNOW it facilitates voter fraud? And ballot harvesting, too. These things were examined back in the Carter years, and it was declared, by the Democrats, that it's a bad idea that opens the door to massive fraud.

But when the machines became popular, and Republicans and Democrats alike learned they could buy a close race through manipulation of the machine count and fake ballots — the system became corrupted and now you have Republicans all in for ballot harvesting — but here is the problem.

You are not playing against people who play by ANY RULES AT ALL. There are NO RULES on the left. None!

Are you ready to harvest ballots, trash them, and replace them with fake ballots pre-prepared by illegals?

The RCM, Resource Center Matamoros, an NGO, that's a non-governmental organization — organized by Democrat Party operatives — this one is distributing flyers in

Mexico to illegals preparing to cross our border instructing them to VOTE FOR BIDEN. Here is a picture of the flyer (see my notes, here).<sup>14</sup> A citizen's group, called the Oversight Project, took photos of these flyers posted along the route set up by Soros and his friends

along the route to the borders.<sup>15</sup> They found them posted inside toilet stalls, put there for the crossers. It's in Spanish, and it tells the crossers to REMEMBER TO VOTE FOR BIDEN.

This “Humanitarian” NGO is campaigning for BIDEN by encouraging ILLEGAL ALIENS to break our laws and vote in the 2024 election. This is election interference at a level of conspiracy to commit fraud.

We need to know who funds this group and which Democrat operatives are involved.

ANTI-SEMITISM is ANTICHRIST. I have a great friend, who among many honors—holds championships in Kung Fu, and right now he is putting some Kung Fu on the LIBERALS with his poetry as American Poet, he is on the Arizona GOP committee helping with the upcoming MAGA ELECTION. He sent this poem, a reflection on Israel — I've said so long as there are any genuine Christians here, Israel will never be without a FRIEND. Here is one of his latest poems: He is Andrew St. Wilson: There is Coming a Day:

There's comin' a day..

God's gonna shake the world

Nations have forgotten to pray

Nations have gone astray

Called to favor the chosen few

One was selected to bless the Jew

[Our] 45th President wasn't hesitant

In Jerusalem, built a US Embassy

For all the world to see

Rulings of this world bind men to speak

Courts of justice become an injustice

Decrees of men are ever-so-weak

There's coming a day... God will speak

The nation of Israel is not alone

He who reigns is still on the throne

I will bless them that bless you

Curse the one who curses you

His eyes, always upon the Jew

There's coming a day..

When they come against the Jew  
Will make Jerusalem a burdensome stone  
They are never alone  
He shall destroy nations against Jerusalem  
Ignoring what the God of Israel has to say (Big mistake)  
Oh my, there's coming a day...

The mystery movements of Trump's Presidential docs. How did these "Classified" documents end up at Mar-a-Lago? You'll be surprised, NOT!

Dinesh assembled a quick guide to the evidence compelling us to conclude the raid on Mar-a-Lago was orchestrated by the Biden administration. It was a SET UP, right from the beginning.

We know Biden went into the office with a plan to destroy all the good Trump's administration did for this country, and together with his globalist friends, set to work to finish what Obama started and Hillary hoped to complete before she was surprised by the RISE OF HILLARY's "DEPLORABLES." You know, Obama's GOD and GUN CLINGING Americans who still believe in good old-fashioned GOD AND COUNTRY patriotism. The people who LOVE AMERICA and still despise godless COMMUNISM and DICTATORS like Xi, Putin, the Ayatollahs, and the rest of them.

They would sell us out to the highest bidder—with them it's always AMERICA LAST, and they'll sell your FREEDOM and LIBERTY to make themselves, literally, "filthy" rich.

Don't be fooled; God never makes stuff like this complicated. For all the smoke they blow in your face about Trump's "mean tweets,"

he is a billionaire who never took a dime for his service in the White House while President while these yahoos go into office and somehow turn a 175k or 200k job into MILLIONS paid to them by CCP operatives, and bilking the American people for billions — he gave us 4 years of NO WARS, and they gave us nothing but WARS and RUMORS of WARS daily — who was bringing our own border under control — but they've turned our border into a literal invasion of sex traffickers, facilitating drug trafficking wide open to Fentanyl that's killing our kids — his policies built a strong economy while they have given us \$7 a gallon gas, and inflation with stagnation — IT'S BY THEIR FRUIT THAT YOU KNOW THEM, and what we know from the fruit is the DEMONCRAT POLICIES are POISON, and MAGA POLICIES is the CURE.

Take a look at the evidence.

First, the Biden Administration's DOJ was in communication with the National Archives, working out how they could set Trump up on charges for mishandling classified documents.<sup>16 17</sup> He had some at Mar-a-Lago, one of the most carefully guarded facilities in the WORLD, with 24-7 surveillance. He was President and had access to these documents. Biden took possession of classified documents illegally while Vice President and had them spread out all over the place, including his garage. But how did the classified documents end up at Mar-a-Lago? You probably assume Trump boxed them up and carried them there.

Second, Merrick Garland lied when he said the investigations into Trump's alleged mishandling of classified documents was conducted with complete independence from Biden interference.

Unsealed documents reveal “early collaboration between National Archives and the Biden White House.<sup>18</sup> Biden’s White House counsel asked to be kept “in the loop” on progress as then head of National Archives Records Administration David Ferriero collaborated with Biden’s Department of Justice to work out a way to entrap Trump on a made-up crime of classified documents charges. At the same time, Biden aides were trying to figure out what to do with memos that surfaced revealing Biden kept classified documents he illegally placed at his University of Pennsylvania Biden Center office in Washington. [IBID]

3. Dinesh says these exposed documents show that the Department of Justice was even giving National Archives some direction on how to cover up the collaboration.

4. The Department of Energy discovered that Trump had an active security clearance after leaving the White House, so they retroactively canceled it to dispute Trump’s claim that he continued to have it for some specified time after he left the White House. They went into overdrive trying to hide this.<sup>19</sup>

5. Now, a witness testifies that after the Trump administration ended, the GSA (General Services Administration) took a bunch of boxes from the White House and stored them in Virginia. Why send them to Virginia? Then, they were instructed to forward these documents, marked “Classified,” to Mar-a-Lago. Investigative journalist Julie Kelly reported “An FBI agent says GSA was holding

Let's finish with a look at Christian Nationalism — targeting Christians for genocide — what does unChristian Nationalism look like?

Christian Nationalism, code for targeting Christians for genocide, starts by demonizing Christians, but that won't work in the US. So they borrow a page from the Soviet playbook: create a subset you can demonize, in this case, called Christian Nationalists - here is one guy making out what is going on in Hungary as evidence of Christian Nationalists promoting genocide. Hungary is openly a CHRISTIAN NATION, other nations consider themselves a "Christian Nation," such as Poland. But it's not the same thing to say American Christian Nationalism is the same thing as Hungary or Poland.

Here is an American Christian author who refers to Hungary as Christian Nationalist. I searched for any document supporting the claim that Hungary identifies as Christian Nationalists. I am aware they openly identify as a Christian Nation, and I suppose one could assume this means they are Christian Nationalists, but that's an assumption.

It's like confusing Islamic Fundamentalism with Christian Fundamentalism. The only correspondence is in the word Fundamentalist. The Fundamentals of Islam are practically opposite of the fundamentals of the Christian faith.

Anyway, here is the article.<sup>25</sup> I don't have time right now to examine the issue, but I will. And if it's true that Hungary is supporting genocide against anyone I'll oppose that. I don't expect to discover this is what's going on. It's like examining the issue of the Crusades. When you look close and see the outrageous abuses Christians were suffering at the hands of the Islamists, you find out it's complicated. Much of the problem resembled what happened in Texas with Santiago. But we have not time for that at present.

My point is I don't know why Hungary is supporting Azerbaijan in that conflict. But I'll examine the issue later.

Here is my concern! This author is usually quite discriminating and I think honest. Why would he not look more carefully at the nuance of identifying "genocide" with Christian Nationalism at this juncture. Why "Christian Nationalism"? Why not, Hungary, an avowed Christian Nation, supporting Azerbaijan, etc. Why associate this with that particular expression when he must know that American Christian Nationalism is in no way connected with genocide.

In fact, it appears the disparagement against Christian Nationalism is intended to identify Christians as a political terrorist group intent on taking over America and denying Constitutional rights to the American People — when the exact opposite is true.

GOD is, however, on our side! He exposed the heart of the unChristian nationalists when Heidi revealed it's a division between those who think our rights come from GOD and those who think our rights come from man.

My point, as I conclude is this. What does non-Christian Nationalism look like? You are looking at it. You see it in the
