KAMALA'S "SECOND DEBATE" A SELF INDICTMENT!

WHAT HAPPENS IF TRUMP WINS?

Original Air Date: 10.19..24

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Don't be alarmed, but according to this meme, "Halloween 2024 is on Friday the 13th for the 1st time in 666 years." Ooohhh!

[Scary music].

Really? Halloween is always on October 31st — so, don't you think every occurrence of Halloween landing on a Friday would be Friday the 31st. Either the fellow who came up with this is dyslexic and dumb, or just dumb. Or he thinks we are! Halloween lands on Thursday this year! Folks, no one can get this much wrong in one sentence, except Kama'la. Maybe she wrote the meme?

You say "Ka'mala," he says "Kama'la," I say Commie-La! Okay, the Brain Masseur will add something to the conversation about Commie-La's so-called "Second Debate."

Who's running the "show" in DC? RFK has been inside the Democrat machine for his entire life—he comes from as deep "inside" the system as anyone, and he tells us it is run by a hidden clique of elites, a confederacy, a ring, a CABAL of marionettes. Trump agrees!

CBS chastised for editing an audio clip of a statement from Speaker Johnson on the failure of the Biden Administration to distribute

funds to relieve the Americans suffering from the devastation of Hurricane Helene.<sup>1</sup>

Venezuela indirectly declares war on America!

None of this gets corrected peacefully unless we have an honest, fair, and transparent election. That is something Biden/Harris are fighting against with everything thing they've got.

So, what's the left's plan if voter turnout for Trump overwhelms all their efforts to bully people into voting for Kamala and steal votes? Okay, my dear friends, it's time for your Brain Massage®:

[TRUTH]

Somebody posted a meme that has garnered a bit of attention: "Halloween 2024 is on Friday the 13th for the 1st time in 666 years." Uh, friend, if that happens, it will be the first time October 31st became Friday the 13. That has not happened since God rested on the seventh day.

You say "Ka'mala," he says "Kama'la," I say Commie-La! Okay, the Brain Masseur will add something to the conversation about Commie-La's so-called "Second Debate."

In summary, I'd say Bret Baier did a good job trying to stop Kamala's filibustering and dodging the questions. Her answer to every question was Trump — yeah, she said invoked the power name of TRUMP no less than 51 times during that twenty-minute interview. Bret summarized it very well when at the end, he said Kamala made clear her opinion about Trump but gave us little regarding who she is and what nothing on what separates her from Biden, other than her name.

On that point, I want to caution you; she is actually being truthful in her deceit! She will be much worse than Joe ever thought about

being. Joe was useful to what RFK calls the Democrat apparatus — the “machine” and what I call the Demoncrat cabal because he is a greedy self-serving liar. Kamala is a true believer—she is a Marxist ideologue wearing a very thin cover of affected “motherly” sentimentalism to hide her fangs and claws. Ask her many former employees about what a pleasant boss she is.

When Kamala smirks that she is not Biden and that her administration will not be a continuation of his, you should hear that as a clear warning that she is going to double down on the transformation Obama envisioned, Biden did not take it far enough — the transformation moving America completely from her roots in biblical Christianity and replanting her into Marxist Socialism. (Have you heard recent discoveries that Obama’s stepdad was a CIA operative? Picked this up from Candace Owens’ research.<sup>2</sup> Obama’s given name was changed to Barry Sotero when he was adopted; it’s the name he used in College: little is known about his stepdad, Lolo Sotero — turns out the dude was in the CIA. You need to view this! [IBID]).

All of these people are deeply connected — and I can’t go into it now, but it’s “all in the family.”)

But, back to Kamala’s interview with Bret Baier — There was one exchange that completely ended that interview and signaled to her handlers it was time to pull her off that stage.

Brett pressed her on her past statements in support of transgender surgery for prison inmates, and of course, she dodged the question by saying she would follow the law. Fortunately, Brett had the receipts and showed her making the statement that she supported and advocated for transgender surgery for inmates at taxpayer expense.

So she is under pressure and repeats that she would follow the law, just like Trump did — and claimed transgender surgeries occurred

<sup>2</sup> 1008.11.2- Owens dropped major revelation—Barack Obama’s stepdad was a CIA

during his watch as President. Trump has said he never advocated for this, but Kamala did, and that no such surgeries took place during his presidency. She repeated the lie, Brett said Trump denies this and Kamala shot back — “YOU HAVE TO TAKE RESPONSIBILITY FOR WHAT HAPPENS IN YOUR ADMINISTRATION.”

I could not believe my ears. This was after about five minutes of her refusing to take responsibility for the massive influx of illegals across our border — THE DIRECT RESULT OF THE BIDEN/HARRIS OPEN BORDER POLICIES, Biden’s refusal to continue the TRUMP stay in Mexico policy or remain in custody policies which kept illegal border crossing under relatively good control — as the diagram that saved his life shows — the Biden-Harris policies reversed Trump’s executive orders, ended them, and opened the border to the most massive influx of illegals in our history — probably in any countries history — tens of thousands of them coming to our country with criminal records in their country of origin — more than 13k murderers, and more than 15k rapists — fiends like those who killed Laken and Kate. Put Kate on Obama and Laken on Harris—presidentially appointed to take care of the border catastrophe — she failed, and Laken was murdered.

So, out of your own mouth you are condemned, Kamala, condemned for the murder of at least three lovely young ladies, raped and murdered by criminals that your policies and neglect allowed to come into this country illegally.

Expand this to gas prices — take responsibility Harris, your policies caused this. Bread, milk, food generally, housing crisis, all of it — inflation — ACCORDING TO YOUR OWN RULE, ALL OF THIS IS ON YOU!

YOU DID IT, KAMALA. SO DON’T PRETEND WITH US THAT YOU ARE THE ONE TO FIX IT!

You need to get out of the way and let Trump do what he does best — and that’s clean up your Democrat mess!

Who's running the “show” in DC? RFK comes from as deep “inside” the Democrat Party system as anyone, and he tells us it is run by a hidden clique of elites, a confederacy, a ring, a CABAL of marionettes. Trump agrees!

Everybody Knows Kamala is an idiot—I mean, who responds to a statement like “Madam Vice President, you’ve been in office for over three years, and you’ve not secured the border,” with — “and Trump’s been running for office??? Really? That’s your answer? It truly leaves one dumbfounded — it’s almost mesmerizing to be in the presence of such dazzling stupidity.

The woman cannot answer even the simplest of questions, and the reason is simple. Doing so would either commit her or expose her.

But the question is why would the Democrats put up these two total losers, Plagiarizing Biden and his counterpart—you heard about her plagiarizing material for her website, right? Why would anyone on purpose choose these people to lead their Party?

It’s really very simple! They neither need nor want competent people in that position. They only need someone they can control, and by they, I mean the clique, those specially selected by the dark powers hidden behind the stage who are directing the PLAYS and approving the scripts. Who are they?

It’s always about the money! And we know the influence of Soros, Gates, Zuckerberg, and some others, but then behind them, totally unseen, are the hidden hands behind Schwab’s World Economic Forum.

What Democrats need to understand is that they are not voting for who will lead the nation — that’s already been decided by the Party bullies who stuck you with this Dog (Biden) and Pony (Kamala) show—you know, Biden’s dog-faced pony soldier (hehe).

Hey, Democrat, what do you think about the fact that you don’t have anything to say about who actually runs your Party? You are

expected to vote as groups for the invisible “group” that makes decisions in the dark that gives us all oppressive taxation, pricing many Americans out of their homes, while giving tens of thousands, even billions, to fund illegal entry of criminals into our country, and government control over every facet of your life!

Oh, and don’t forget Laken Riley and, before her, Kate Steinle (Stinell). Kate was killed by Obama’s border policies in 2015 when an illegal who had been deported five times before was allowed back in across our border under Obama’s catch-and-release policies.

We got a break from that evil during Trump’s leadership and border policies, then came Biden/Harris, and on the first few days of their administration, Trump’s policies were reversed, and we went back to even worse open border policies than before, and now we have Laken Riley, and two other young ladies raped and killed by these vicious murderers as a direct result of Biden/Harris border policy—and Kamala gets all morose and affects a sad face for these innocent young ladies murdered on her watch while refusing to accept the RESPONSIBILITY that is hers, as the Biden appointed “Border Czar.”

Did you see it? Kamala stupidly answered a question about why, as the Presidential appointee tasked to take care of the mass influx of illegal border crossings, she had not visited the border and she replied arrogantly, “I haven’t visited Europe either,” followed by her dismissive chuckle. Uh, hey, valley girl, you were not appointed ambassador to Europe. You were appointed to take care of the border.

**KAMALA, YOUR HANDS HAVE THE BLOOD OF THESE INNOCENT YOUNG LADIES DRIPPING FROM YOUR MANICURED NAILS.**

FEMA may be chargeable for criminal activity. Here is a first-hand account of a North Carolinian telling us FEMA condemned their home and property, informing them to vacate and that the government was taking their property as well as their trailers.<sup>4</sup> Someone please follow this and see whether these families (there are multiple families living on this property, many in trailers) and track whether this property ends up in the possession of BlackRock or Vanguard and if it ends up being part of a lithium mining operation. If the people want to retain ownership of their property, by what right does Ahab’s wicked Jezebel have to manipulate the law to justify stealing Naboth’s vineyard?

Venezuela has indirectly declared war on America!

Of course, all the “fact-checkers poo-poo the “conspiracy theory” that Maduro’s government in Venezuela is emptying their prisons into the US — but who are you going to believe? Trump has been right on, well, everything and the MSM has been wrong — I trust his sources and instincts over the liars who use their elitist-educated, new-world-order indoctrinated “authorities” as the final word on anything.

No kidding. They don’t do any research at all. They call a “politician,” get his “take” on a question, and that’s the end of their research. They don’t go talk to the people affected, put their eyes on the situation personally, or run down the testimony of the people hurt by the Venezuelan gangs conquering segments of their

community—they call the do-nothing, know-nothing Mayor, and that’s it — case closed — the authority has spoken.

At first, they denied Venezuelan gangs were taking over entire apartment complexes in Aurora, CO. But the real pictures posted by real people broke through the wall of government disinformation—thanks to Elon’s X—and then the MSM story changed from it didn’t happen to “It’s only a handful of incidents.”<sup>5</sup>

Now it has spread to San Antonio, TX<sup>6</sup> where the gang has taken four apartment complexes into their power—it’s like CHAZ was a trial run, a liberal militia conducting a quasi-military exercise preparing Americans for this sort of thing.<sup>7</sup> Hey, these militants were patrolling their perimeter with AR-15 armed guards, So excuse me for calling them the Liberal’s “armed militia.” No doubt their leadership was pressuring Soros to provide missile launchers!

And the MSM serves as the propaganda arm of every wicked ruler in America! And it’s because they are wicked: morally perverse, a corrupting or corrosive perversity of mind and spirit, worthless for any good, and injurious to the common good. And the “good” we are talking about is what is defined as good in the Bible — understood within a Christian context. You know, where a lie is hated, and truth actually refers to what corresponds to reality—to Nature and Nature’s GOD.

So when the truth finally breaks through the truth-blockers (lying “fact-checkers” — hah! If you watch Hockey you know what it means to “check” a player — these people are “fact-Checkers” all right — they “Check” the facts into the boards! — just sayin’)

But when the truth breaks the “check” and makes the “score” in full view of the public, then the “authorities” change their tune — Oh, well, yeah, it’s happened, but in only a “handful” of incidents.

[I need a sound effect of a sudden intensification of a roaring fire raging.]

These wicked people seem to get away with this all the time — but their day is coming: “When the wicked spring as the grass, and when all the workers of iniquity do flourish; it is that they shall be destroyed for ever” (Psalms 92:7). Their hot air bellowing of lies is only feeding the fire in which they will burn.

Friend, I can see that I’ll not have time for a break, let’s keep rolling.

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Venezuela has indirectly declared war on America, and we should answer their declaration.

Venezuela refuses to accept the repatriation of their citizens illegally crossing our border.<sup>8</sup> That’s all I need to believe Trump knows what he is talking about! Maduro refuses to take responsibility for his own citizens — Hah! Strap a parachute on these vermin, and drop those Turkeys into Maduro’s backyard!

Look, this is tantamount to declaring war on America — we need to make that very clear — Kamala likes to say, “let me be clear” — so, while we are waiting, and waiting, and waiting for her to “be clear,” allow me to clarify: when a nation, like Mexico, becomes a facilitator of rogue rulers in America bent on destroying this

country—and provides busses and escorts for these illegals to our borders, it's an act of WAR against the American people.

We need the officers of law whose loyalty is to the OATH THEY SWORE TO UPHOLD AND PROTECT THE CONSTITUTION and not to the protection of their pensions or CAREER promotions, who will initiate an intervention of the lesser magistrate, and in the name of the HIGHER LAW, defend the people of this country against this invasion.

Wipe out Venezuela's "ghost" soldiers who are attacking Americans in our streets right now, and, you know what, it might be a good idea to send a few Hornets and Raptors to do a low flyover of the home town of Venezuela's "el Presidente" and send pictures of this to Mexico's "la Presidenta"!

Sound extreme? I agree, actually! But there is a point to be gotten here and I don't want you to miss it!

When proper authority fails to execute judgment against evil doers, that is, they fail to fulfill the divinely appointed purpose of government stipulated in Romans 13, and they spend their time turning the sword against honest and peaceful civilians whose only offense is to protest a government intent on abusing their liberties, so they neglect pursuing the real offenders and criminals hurting the people, the victims of that injustice get increasingly angry, and when they've had enough they will do too much, they will overreact.

Have you ever noticed what happens when adult supervision leaves supervision to the children?

When measured firmness and correction from authorities is timely and consistently administered, the kids will take note and remain orderly, but if this is neglected, the children will take care of it and they will always be far more extreme and cruel in the execution of their vengeance.

The people are getting angry at this nonsense, and this is becoming a powder keg — or is this by design? Is it an IED! Are the people that are pulling the strings behind closed doors trying to set up conditions for an explosion they can use to “justify” Martial Law and the final collapse of our Constitutional Republic? Remain orderly, folks! Protest, but do so peacefully and patriotically!

What do you suppose happens when Patriots define their city as a “Constitutional Independence City” and declare themselves FREE and INDEPENDENT from the wicked usurpers?

What happens when God and Country Patriots, you know, the God and GUN CLINGERS Obama was so afraid of, what happens when they stand up against those who want to destroy this Constitutional Republic and return us to the pre-revolutionary tyranny of a “King” George — an oppressive government arrogantly using their god, Baal, as cover for their abuses of human rights under the false pagan doctrine of the Divine Right of Kings?

What do you suppose will be done to such patriots by those who applauded Antifa/BLM taking over six city blocks, the same people covering for a Venezuelan gang taking over apartment complexes in Colorado and Texas and terrorizing American citizens—do you suppose they’ll get the “Kamala” treatment—will Kamala promote a fund to provide bail like she did for those criminals while approving their actions?

Or do you suppose we would get the J6 treatment? The one where grandmothers who walked into the Capitol building to Pray were sentenced to, what was that, a year in jail and a 200,000 dollar fine.

You heard about the J6 praying grandma of Colorado, right?<sup>9</sup> Rebecca Lavernz was charged with four federal misdemeanor charges for entering and remaining in a restricted building or

grounds, disorderly conduct in a restricted area, disorderly conduct in the Capitol Building, and parading, demonstrating, or picketing in the Capitol. The evidence of her crimes: cellphone and video footage that showed Lavernz entering the Capitol building after attending Trump's speech. She went into the Capitol Rotunda at 2:43 PM on Jan. 6, 2021, and left at approximately 2:53 PM. Ten minutes! The disorderly conduct? PRAYING!

She was facing a year in prison and a 200,000 dollar fine for this, but word got out and public pressure began to build. They (Pelosi, Biden, Kamala, Obama, Schumer, and the goons that serve them et al) “let her off” — she got six months of home confinement, say house-arrest, by a judge who was personally offended by her exercise of free speech in expressing her opinions about the abusive criminal justice system.<sup>10</sup>

Wow! Way to go, judge Zia Faruqui! You confirmed everything she has been saying by acting like a petty dictator punishing his “subjects” for saying things he does not like! You took your whip, like a slave massa, and beat that old saint into subjection. You're a bully, a petty little pouting misogynistic example of ageist bigotry haha! — well, I don't know this guy well enough to say his brutality against Rebecca stems from anything more than his own feelings of guilt and inadequacy, being hurt because she made negative comments about his profession that he took personally because he knows it applies, and tweaked his conscience for how he abuses it — so, let's just leave it at that!

I mean, I don't know if the jury coming back with a verdict on lesser charges after 26 hours of deliberation cost him a yacht, or a new Mercedes, or — hahah! Friend, the point is I don't know how

to explain the bizarre behavior of these judges handling the J6 cases.

I guess these people got into their robes while the good people were distracted by stuff like making a living and raising their kiddos. Or, perhaps, it was while we were sleeping! Well, though we are certainly not Woke, we are definitely awake! This guy needs to be sanctioned and removed from — he should be benched from the Bench.

None of this gets corrected peacefully unless we have an honest, fair, and transparent election. That is something Biden/Harris are fighting against with everything thing they've got.

Take Michigan — their voter rolls include at least 500k more registrants recorded than there are eligible voters in the state.<sup>11</sup>

In California, Los Angeles County, a voter found a dozen 2024 election mail-in ballots in his stormdrain!<sup>12</sup> So, there's 24 more votes for Commie-La, Walz. Sure, each ballot known to be missing provides inventory for replacing them with illegitimate ballots.

In Alabama, the good state of my mother's nativity, the election officials want to purge their voting rolls of non-citizens. The Federal Law provides for what's called a 90 day-quiet period, and actions like purging the voter rolls of ineligible registrants within 90 days before an election is absurdly ruled by this judge to be a violation of this law.<sup>13</sup> How can it ever be illegal to stop illegal voting?

In Oregon, LaVonne Griffin-Valade removed Trump and Vance from the official state website that provides information about candidates: 19 days before voting began.<sup>14</sup>

Virginia wants to purge their voter rolls, but Biden/Harris is suing to stop them.<sup>15</sup>

So, what's the left's plan if voter turnout for Trump overwhelms all these efforts? Representative Raskin has been telling us the backup plan is to disqualify Trump from being confirmed after the election. He said it's going to be hard on Trump's supporters to learn their elected President is disqualified and cannot take office — he said when Trump wins the election, “It will be up to “us” [Democrats] on Jan 6, 2025, to tell the rampaging Trump mobs that he is disqualified and then we need bodyguards for everybody and civil war conditions...” — he said this in the wake of the SCOTUS decision to let stand a ruling protecting Trump's Presidential immunity in the records case—which is absurd since Biden actually did violate the law governing handling of classified material and Trump did not! [Some of us wonder if Trump was not manipulated into letting Biden off the hook on that matter, but we've got plenty else to contend with at the moment.]
