MAGA'S FIRST TEST AND NEXT FIGHT! / WHY ARE WE AFRAID OF  
"CHRISTIANS NATIONALISM"?

Original Air Date: 11.16.24

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

NOTE: Don't Forget to include Alex Morris's ad in this show!!!

MAGA will move forward as long as it remains in CAMPAIGN MODE and Christian Patriots remain vigilant. (By the soldier Trump elevated to Defense Secretary, Peter Hegseth, a Christian Nationalist? — [insert mock horror sounds gasps])

MAGA faces its second major test. The first was overcoming election fraud. The second will be overcoming confirmation—fraud. I trust Trump's team has a CONFIRMATION CAMPAIGN strategy. MAGA - you can't relax yet!

You have heard about the FEMA supervisor who instructed FEMA agents sent to evaluate the relief needs of families devastated by Hurricane Helene to SKIP houses with signs they supported TRUMP. No! Oh, well, you are going to love this! NOT!

Sci-Fi to Sci-Fact — chemtrails are a real Gates' thing, 5G triggering vaccine injected nanotech to assemble in vaccinated blood is a real thing, too? Woah! Time for a VAX - COVID update!

All of this is the reason you must not think ELECTION 2024 is over — we must continue pushing the enemy back on every ongoing election fraud attempt for every seat in the House and Senate. Keep them on their heels; keep the pressure ON!

Update on the Trump move to bring Mammon to its knees! Why are they quiet about Trump's appointment of Musk and Vivek to

run his newly created D.O.G.E. (Department Of Government Efficiency)?

Okay, my friends; it's time for your Brain Massage®!

[TRUTH]

MAGA will move forward as long as it remains in CAMPAIGN MODE and Christian Patriots remain vigilant.

MAGA faces its second major test. The first was overcoming election fraud. The second will be overcoming confirmation fraud. I trust Trump's team has a CONFIRMATION CAMPAIGN strategy.

MAGA - you can't relax yet! Keep ready to make your voice heard throughout the transition, and then we can set a steady pace for the rest of this battle, ready to answer every challenge.

I ran cross country, and there are beginning, middle, and end race strategies. The beginning phase is about establishing your position, and you want to be careful to ignore the rabbits and settle into the PACK—often, it's the five or six strongest runners that form the front and pretty much set the pace for that race. Middle game, get into your rhythm and pace yourself with the pack, but it's usually best to take up a position toward the back unless the runner in front of you begins to fall out, then you go to the next guy that cabooses the pack! End race, you take up a position on the shoulder of the leader, challenge him, then back off to his shoulder again, do this repeatedly—as you approach the last turn into the last stretch to the finish line, if he is stronger than you, copy his stride—if he is weaker than you, change up your stride and try to get him off his. When the finish line is in sight — KICK your guts out and challenge him for the lead!

We are in the opening moves of this contest! The Election did not finish our campaign to make America Great Again; it was the gunshot that started this race. It was the choosing of our champion, now we need to field the team!

The campaign to confirm Trump's picks is our first major test, and we must not leave him hanging on this! When you see an Elephant trumpet start looking like a RINO horn — get all over it! Call, write, email, and X-post, the traitors till they are standing naked and fully exposed! Cover any deviation from Trump's picks as treason — not against Trump, but against the 74 million MAGA Americans that said NO to socialism, NO to communism, NO to Bidenism, NO to Harrisism, NO to Obamaism, NO to Pelosiism. NO to Schumerism. NO to open borders, NO to insane spending, NO to endorsing and encouraging the TRAN agenda, NO to the politically-correct police Statism, NO to Globalism, NO to antichrist, anti GOD and anti-Israel, fascism. Flood social media and your churches, your clubs, business associations, school boards, the parks, get a sky-writing plane up there — RINOS OUT! Protests via memes, comments, tell those RINOS we are tired of their wicked treason — treason against the PEOPLE.

It's like Trump promised back in 2016, the PEOPLE are going to RETURN TO POWER — Okay, so we have it! USE IT or LOSE IT! Not one Republican that obstructs the agenda Trump has laid out should be allowed to even think he is going to buck the millions of voices that have spoken without consequences — the AMERICAN PEOPLE will need to make their next major move in 2026, the midterms — they need to identify every coward Republicrat and vote them OUT! Every Republican committee that is run by weak-spine cowards who have as much backbone as a jelly-fish and a sting that is even more poisonous and noxious to our liberties, must be told, STAND WITH US, STAND WITH MAGA, OR BE GONE! If these yahoos in CA put up another mealy-mouthed, half-committed, spineless jellyfish so-called Moderate, if you insult us any further with another Democrat running behind a Republican mask, if you don't start giving us a true red-blooded AMERICAN as FOUNDED MAGA candidate, do the honorable thing and resign. Make room for someone who has the courage to put up a

GOD and COUNTRY Christian Patriot who has the courage of his convictions and the character to stand up and call it like it is and help California get out from under these despots that are driving this great State to ruin and feeding this state HELL!

Virtually every person Trump has picked to implement the PEOPLE's MAGA AGENDA — this movement is bigger than Trump. Look, I've been around a while; I'm telling you, no movement that is limited to the size of its founder will endure beyond that founder. NONE! I'll also tell you that no great movement launches with the power and force of a great man that GOD chooses. But, I repeat, no movement that never outgrows its founder survives beyond its founder. Trump is a big man!

Anyone denying that is an I-dot! NO MAN in living history has endured so much and yet kept going forward through it all — twice falsely impeached — don't play semantics with me — the impeachments were a scam — Shifty - your political days are numbered, Satan can't withstand the attack that is coming down on his CA stronghold — the evil election thieves can't keep you in power much longer — not every challenger is for sale! Not every challenger can be cowed! Not every challenger is too lazy to run the bases hard! Not every challenger will tap out. You are going to meet one that will SHOUT OUT loud and clear who you are and what you are.

Trump's picks are being undermined by Republicans. It's the same thing, the same disease that infects so much of the Republican Party. Two Senators object to Trump's appointment of Pete Hegseth, the guy who stepped up with the proper assessment and plan for response to the October 7th invasion of Israel by Hamas. Every one of these snake-bitten, venom-compromised mealy-mouthed, counterfeit conservatives, who feed headlines like this to

the likes of Rolling Stone: “GOP SENATORS BRISTLE AT TRUMP’S PENTAGON PICK: ‘MAKES NO SENSE’”<sup>1</sup>

Who objects? Murkowski — now, that’s a surprise! She seems to be annoyed: “I’m just surprised,” said the Democrat Senator who wears one of those RINO masks I talked about earlier. Her reason

for being “surprised”? “I’m just surprised, [sic] because the names that I’ve heard for secretary of Defense have not included him.”<sup>2</sup> Trump is on to you jokers this time around!

You’d better get used to it! (Gotta love this new look on Mur-sowl-ski’s visage!<sup>3</sup> Apparently, Trump did not read-her-in on his shortlist. Seems like he has learned how to walk through the “snake pit” called the “swamp.” Here is what a “snake” looks like when a rabbit it wanted for dinner just got away.)

Truth is, MSM is making as much as they can about the one Republican Senator almost certain to object and anyone else who does not praise the choice as indicating potential revolt! Don’t be fooled! The Red WAVE has actually not landed yet; it has not crashed in on all these people yet; it’s still BUILDING!

Hegseth will wage a war on woke! He will rebuild the military with a major injection of T at the TOP! He will make our military look masculine again!

They fear men, especially men of faith, freedom, and fierce resolve! He wears a bunch of tattoos. I don't like tattoos, even though I have a cross on my left toe. Long story! Pete has a bunch of them.

The one that bothers the left most is the symbol of eleventh-century Crusaders — it's called the Jerusalem Cross.<sup>4</sup> Here is a picture of Hegseth sporting his tattoos.<sup>5</sup>

One ill-informed liberal thought it was a swastika???? Anyway! Lefty loonies are making a bit of noise about his “tattoos, political views, and religious affiliation.” [IBID]. The Jewish Telegraph Agency (Est. 1917), is a supporter of the war and Netanyahu's objectives but opposes him holding the office of Prime Minister.<sup>6</sup> They fear Hegseth is a Christian Nationalist, and his tattoos are presented as exhibit one:

“Hegseth's tattoos, political views and religious affiliation and background are consistent with an extreme strain of Christian nationalism, [according to](#) Matthew Taylor, a scholar at the Institute for Islamic, Christian, & Jewish Studies. Specifically, he appears to

belong to a fringe denomination known as Reformed Reconstructionism, which [believes in applying biblical Christian law to society](#), exclusively male leadership, and actively preparing the world for the prophesied return of Jesus.”<sup>7</sup>

Yep, that’s what scares them. He is a “Christian Crusader,” a “Christian Nationalist.” And this, oh my, this is what really gets to them: he believes in applying biblical Christian law to society.” [IBID.]

The question of Christian Nationalism was addressed from the pulpit of Lighthouse a few months ago during our GAP conference. Let me make it clear: I don’t subscribe to Catholic dogma relating to the Papacy; the whole “Holy See” thing is a doctrinal construction built from bits and pieces of Scriptures used out of context to produce a system that is blasphemous, ascribing to a man the authority that belongs to Christ alone. I hold views that are in far greater sympathy with those of the Reformers on that point. However, neither do I subscribe to Reformed Reconstructionism—at least not to the premise that it rests upon: the assumption that the kingdom of Christ to come is ushered in by the Church. I’ll be addressing this Sunday night, 5 pm, at the Lighthouse!

I need to go to break here. But this really is an important question for Christians to sort out. What exactly is “the kingdom of Heaven” and how are the “keys of the kingdom” used in the world today? What is the role of the Church in the Kingdom of CHRIST’s present rule from Heaven over the kings of this Earth

— the Bible does say that Jesus is, right now, “prince of the kings of the earth.”<sup>8</sup>

Hold on through the break; I’ll be right back!

[ADD MORRISON AD]

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

I apologize for the sound quality of the first segment. I did the best I could to extract the Airport noise. Our radio team here at KSMA 1240 AM and 99.5 FM graciously allowed me to post late, so instead of traveling home all day from Mexico, arriving home after one AM, and then spending another hour finishing up the second segment and posting, I was able to get a bit of rest. THANK YOU! I’ll give a full report on my trip to Mexico during church this Sunday.

Hegseth will neutralize Biden’s DOD revision—weaponizing the military against US citizens—not likely “they” will go forward with that plan! (By the way, I forgot to mention all the employees of ODEI (That’s the Office of Diversity, Equity, and Inclusion) are “threatening to quit if Hegseth is confirmed.”<sup>9</sup> [Insert Laughing Squirrel]

<sup>8</sup> Ephesians 1:20-23 Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places, far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come: And hath put all things under his feet, and gave him to be the head over all things to the church, which is his body, the fulness of him that filleth all in all.”

<sup>9</sup> 1012.4.1-ODEI employees reportedly threaten resignation over Pete Hegseth nomination as Secretary of Defense <https://tribune.com.pk/story/2509818/odei-employees-reportedly-threaten-resignation-over-pete-hegseth-nomination-as-secretary-of-defense>

But Matt Gaetz is the point of the spear in Trump's efforts to drain the swamp. I understand some DOJ lawyers will do likewise and save the incoming AG the trouble of firing them.<sup>10</sup>

Is this part of the cooperative spirit of a democratic transition of power promised by the Biden Administration? Hmmm. Well, THANK YOU! It's a good month for that — RESIGN already, and enjoy Thanksgiving with your family.

FDA employees are threatening to quit if RFK gets confirmed.<sup>11</sup> If it keeps getting better, and better, O Lord — where's Doug Oldham?

Tulsi is also getting some pushback.

Sounds like Congress is all ready to show Trump whose boss—the same Republicrats opposing Trump now were all ready to cooperate with Biden's appointments—you know, to show respect for the President's right to define his own team! A spirit of cooperation, and democratic sensibilities.

The effort to smear Gaetz as a “sex trafficker” is a joke! It didn't work when the Democrats tried it before, and it's not going to work for the Republicrats either. If they block this appointment, let's make certain it's the service of their letter of resignation — time to GO Cornyn, Graham. Pack your bags boys! MAGA Americans have made it very clear business as usual is no longer acceptable — Trump is an outside-the-camp leader, and we need outsiders to staff him, not insiders to stab him.

And, by the way, while I'm on this topic: Josh Howley, what is wrong with you? Didn't you get the MAGA Memo? That old bit about representing your FRIENDS in Congress is OVER, dude! It's OVER! Scott was MAGA, Thune is "in on the inside." He's the sort of fellow McConnell would've picked! You fed us a great headline: "Senate Republicans Reject MAGA for Mitch McConnell Ally in Shock Vote."<sup>12</sup>

He's from South Dakota; maybe you think you can trust him, but why would you explain your vote by pointing out he's a friend? Representatives are not there to represent their colleagues or to support their "friendships." You know this, you are there to represent the people that voted to put you in office. The government has been given back to the PEOPLE — remember them? Yeah, I know you've been doing a great job — but one dumb move like this and we start thinking, well, here we go again! It's all a show! Working both sides—I'm just saying, Josh, we've been BURNED like this so many times, and WE ARE NOT GOING TO FORGET!

I'm really getting so DONE with these Republican snobs and their "good ole boy" club — the Country Club Republicans must GO!

Okay, NEXT! You heard about the FEMA supervisor who instructed FEMA agents sent to evaluate the relief needs of families devastated by Hurricane Helene to SKIP houses with signs they supported TRUMP? First, she was "reassigned," remember that. That one didn't "float." Sunk like a rock! Then she was "fired," became "whistleblower-for-a-day," testified that this was not an isolated policy, but apparently sorted some sort of compromise, 'cause now she's playing on their side again: saying the instruction was premised on standard FEMA policy that does not require

agents to endanger themselves when approaching houses, like, say, a house with vicious dogs. Her instruction to skip Trump houses, she explained, was an application of that policy. Yeah, she said that! Approaching a house devastated by a hurricane would be like entering a yard with dangerous dogs.

You've got to be kidding me! Trump supporters have been subjected to quite enough abuse; thank you! It started, actually, it started back in Reagan's day when the liberals then said those who supported Reagan's policies wanted Americans to drink poisoned water, breathe poisoned air, and feed dog food to grandma! It's the same crowd Obama's administration covertly labeled Domestic Terrorists, and openly called "bitter, God and gun clingers," who Hillary later called "Deplorables," and "Irredeemable," and whom lately Biden called garbage and openly labeled MAGA American's terrorists, with the entire Media Industrial Complex piling on daily with Fascists, Nazis, who blindly follow Hitler—and now this wicked woman who instructed her team to skip homes of Americans devastated by Helene if they had a Trump sign in their yard likened them to junk-yard-dogs—like the self-righteous priests that walked past a neighbor who had been wounded and left half dead — this self-righteous woman dehumanizes Trump supporters and justifies passing them by.<sup>13</sup>

Libs are soooo afraid of Trumppers. Trumppers are going to get you! For liberals, it will become the new Boggy-man — hey, kids, if you don't eat your vegetables, a Trumper is going to "get you." You'll hear cries in the night in liberal homes: "Mommy, I think there's a Trumper under my bed." What a pack of macaroons!

What's that? I call people names? Demoncrat, well that's a term coined to speak of a Demon advancing Satan's agenda through a Democrat. They also work through Republic-rats, that's nearer an act of "name-calling," it's certainly intended as a pejorative, for it

<sup>13</sup> Luke 10:30-32

likens Republicans that betray the interests of those from whom they beg money and support and serve the policies and interests of the side they specifically voted against as rats infesting the Republic—so, okay! I still argue it's descriptive and not merely mud-slinging. What's the difference?

Well, okay, here you go! “They” spent the last eight years calling Trump Hitler, Nazi, and Fascist with literally never pointing to a single thing he actually did even resembled these things—they likened him to Stalin; I think I heard someone through an allusion to Pol Pot — but I did notice they never accused him of being Mao — I guess that would have offended their beloved dictator, Xi — but suddenly, all of that went away when Trump won, and it was all brushed under the “rug” as “politics is a tough game” — and there you go, that's the difference! When I call someone mealy-mouthed, I am pointing to mealy-mouthed behavior, and if I call them a traitor, I generally specify to what and why? Jesus referred to the religious hypocrites of His day as, well, let's start with hypocrites and go on to white-washed graves full of dead men's bones, and add snakes and vipers — these were intended to rebuke and expose them; they were not intended to “smear them.” The dead giveaway here is that Progressives use name-calling to smear an opponent in a contest, and the proof is that suddenly, Trump is not Hitler! You only call him Hitler when you want someone to kill him. That failing, you stop lying, at least about that!

Another proof it's all about smearing or attacking a political opponent is the fact they call us violent ten times a day and overlook the fact that every nut job that tried to kill Trump was one theirs, all the violence that erupted in 2020 was on their side of the political spectrum, the fact is all the violence is coming from crazy loon libs — check out the Cory Burke story! Yikes! This “Progressive” and disturbed young lady went berserk over Trump winning and took it out on her father—chopped up her Trump-

supporting father with an Ice Axe. And FEMA, under the Biden regime, tells investigators they can pass houses of Trump supporters if they are afraid of violence—and by doing this, they are literally committing an act of violence against Americans with whom they politically disagree. I can guarantee you that conservative Christian Republicans would never do that! These libs really need to stop digging!

I MIGHT HAVE TO END HERE; IF SO, SKIP TO THE CONCLUSION.

Sci-Fi to Sci-Fact — chemtrails are a real Gates' thing, 5G triggering vaccine injected nonotech to assemble in vaccinated blood is a real thing, too? Woah! Time for a VAX - COVID update!

All of this is the reason ELECTION 2024 is still not over — we must continue pushing the enemy back on every ongoing election fraud attempt for every seat in the House and Senate. Keep them on their heels; keep the pressure ON!

Update on the Musk-Vivek move on bringing Mammon to its knees! Why are they quiet about Musk and D.O.G.E. (Department Of Government Efficiency)? Why create a two-headed department? Never seen a two-headed thing get much done. Here is an article saying they've targeted 6.75T of government waste! What? I knew it was bad — but are you kidding me?
