REPROVING UNJUST JUDGES / UKRAINE & RUSSIA / O, ISRAEL

Original Air Date: 04.26.25

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Four things God looks for when evaluating a family, a church, a city, a state or a nation: 1. every man speaking truth to his neighbor, 2. the judgment of truth and peace should be executed in our gates, 3. let no one imagine evil in their hearts against his neighbour, and 4. love no false oath.¹

In what we call Biblical times, a cities “gates” served as the judicial centers of a community—it’s where elders, leaders, and judges heard cases, in public, with full transparency. Because of this, “the gates” refers to the place where the government’s authority intersect with the people’s daily lives. God wanted this intersection to be governed by truth with the aim of establishing and maintaining peace.

In what we call Obama-Biden times, the judgment of lies and war were executed in our gates, and today, that continues wherever Obama-Biden era holdovers continue—presently, we are seeing this in our Judiciary.

Peace for Ukraine appears to be impossible so long as the Weiner Man of Kiev is leading that country. Putin has attacked Kiev — actually, that’s really huge! Almost nothing signals a willingness to

escalate this conflict into a WWII scenario quite like the Kremlin attacking Kiev.

The hammer keeps falling! Whoah! Here you go! Another blow to the Deep State — Hegseth “removes service members of panels subjected to a recent review.”² Okay, so, what does that mean? It means the new Pentagon head ended the DoD’s advisory committees. Gone! That includes a name you’ve likely heard a time or two — Susan Rice.

Here you go! our gates, 3. let no one imagine evil in their hearts against his neighbour, and 4. love no false oath.⁵

In what we call Biblical times, a cities “gates” served as the judicial centers of a community—it’s where elders, leaders, and judges heard cases, in public, with full transparency. Because of this, “the gates” referred to the place where the government’s authority intersected with the people’s daily lives. God wanted this intersection to be governed by truth with the aim of establishing and maintaining peace.

In what we call Obama-Biden times, the judgment of lies and war are executed by their judges in our gates today.

A corrupt (Deep State) Judge and his wife have been arrested — the FBI descended upon their home in Las Cruces, and took them away — Joel Cano and wife, Nancy — and charged with evidence tampering and harboring a member of the foreign terrorist Venezuelan gang Tren de Aragua — who does this? These people harbored this guy in, I think it was a guest house, or something, on their property, knowing he was here illegally—and according to one report, they were okay with him getting chummy with their daughter. Was he a drug connection for this guy?

Tren de Aragua translates to the Aragua Train —Aragua is a State in Venezuela, like CA is a state in America. The notorious gang originated in Tocoron Prison, in Aragua. A railway was being built connecting Caracas to Aragua. It is thought that this gang corrupted the labor union running construction and sabotaged the

project with graft — a blue collar version of the white collar grift called the California High-Speed Rail.⁶

Our scam continues, perpetrated by a corrupt Democrat controlled Assembly and Senate in cooperation with a corrupt Governor. Newsome is showing Tren de Aragua, the way to scale their grift from a small time operation to what it looks like when the government is involved. TdA is small potatoes compared to Newsome and his gang.

Anyway, TdA has created it's own drugs and trafficking “railways” into Columbia, Brazil, Peru, Ecuador, Bolivia, Panama, Costa Rica, Chile, Mexico, Trinidad, Tobago and the U.S. Trump's State Department, under the leadership of Rubio, has offered 12 million for information leading to the arrests of three top TdA gang leaders.⁷

Our “gang leaders” hide behind the “color of law”⁸ — which is something the Democrats crafted and perfected during segregation. They used it to control people they considered to be a slave class then, and they are doing it now. Providing a thin legal cover for their operations. It's like what's happening today, with the judges hiding their rage against the Constitution under a thin veil of “concern about due process.”

These hypocrites cared nothing for the violation of DUE PROCESS by the Biden Admin when admitting these gang members contrary to “due process,” or the “due process” violated by these gang members, but now they are concerned for some invention of due process applying to murderers, rapists, and drug and human

traffickers or when we arrest them for nothing more than the crime of illegal entry and returning them to their homeland.

We know why? The Devil Dems. deM-S13, are planning ahead to the midterms and they need a large number of people here to whom they can illegally give Social Security numbers that can be used to falsify ballots.

Here is a Milwaukee judge that blocked the arrest of an Illegal: This Judge was arrested and charged for obstructing ICE during the arrest of an illegal alien.⁹ Kash Patel had this Judge arrested and charged. Her name is Hannah Dugan, and she was charged with intentionally misdirecting federal agents away from the subject to be arrested in her courthouse. The guy she lost her freedom for is Eduardo Flores Ruiz — what's with these Judges protecting criminals from deportation?

Another! This was posted by @sxdc: COURT CANNOT DICTATE MILITARY OPERATIONS. After Liberal Judge Murphy ordered the Department of Homeland Security not to deport, Trump turned the operation over to the DoD—Department of Defense.

A Department of Homeland Security official reported to the Court that “every person deported after Murphy’s court order was sent to Guantanamo Bay before being shipped off to El Salvador on military flights”¹⁰ all which activity is outside of the jurisdiction of the Courts.

In other words, TRUMP SAID, you lack “standing.” Hehe!

You see, the reason Trump has to do it this way is to defeat the courts ability to impede him. If he did not cleverly work around their “clever” maneuvers, even though all these stupid orders finally would be defeated, these judges only need to stall deportations until after 2026 — they only need these illegals through the mid terms.

Trump has an uncanny ability to see through this sort of thing and beat them at their own game.

Get a load of the DHS’s response to Murphy’s illegal, improper, unjust, and wicked order and see how cleverly the Trump administration exposes all of that while elegantly slipping through their wicked fingers. Murphy’s demand requires the DHS to respond to each case. Part of this is redacted, so when I come to a redaction I’ll just say NAME — it essentially removes personally identifying information. Listen for how cleverly Trump’s team points out the idiocy of Murphy’s order — he indicts them while submitting to their stupid order. Here we go:

2. NAME, an admitted human smuggler, was removed to Mexico on March 25, 2025, before this Court issued its Temporary Restraining Order (TRO) (ECF No. 34), on March 28, 2025.

3. NAME, a registered sex offender, was removed to El Salvador on March 31, 2025 “by the Department of Defense on flight with no DHS personnel onboard.” DHS did not direct the Department of Defense to remove NAME. The Department of Defense is not a defendant in this action.

4. NAME, an identified Tren de Aragua (TdA) gang member, was removed to El Salvador on March 31, 2025, “by the Department of Defense on a flight with no DHS personnel onboard.” DHS did not direct the Department of Defense to remove NAME. The Department of Defense is not a defendant in this action.”

5. NAME, and identified TdA chief, was removed to El Salvador on March 31, 2025, “by the Department of Defense on a flight where

no DHS personnel [were] onboard.” DHS did not direct the Department of Defense to remove NAME. The Department of Defense is not a defendant in this action.”

6. NAME, an admitted TdA gang member, was removed to El Salvador on March 31 2025, “by the Department of Defense on a flight where no DHS personnel [were] onboard.” DHS did not direct the Department of Defense to remove NAME. The Department of Defense is not a defendant in this action.”¹¹

And etc.

Meanwhile, the Demoncrats are working hard to position themselves as on the side of interrupting Trump’s effort to keep a promise he made to the American people. And what do you want to bet me if they succeed, they will then flip the script and start attacking him for “breaking his promise to the American people.” Yep! That’s who they are! Get it? Got it? Good — now remember that in 2026.

It’s time for a break! Your Brain Masseur® will be right back!

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Let’s get updated on what’s going on with the Russia-Ukraine war and Trump’s efforts to encourage peace.

For reliable up to the minute, sort of, news on the Russian-Ukraine war, go to the link I have in my notes, right here: <https://news.sky.com/story/ukraine-war-trump-zelenskyy-talks-putin-russia-moscow-saudi-live-sky-news-latest-12541713>]

Zelensky once said peace with Russia is a “long ways off.” And it appears he is intent on making it so.

Peace for Ukraine appears to be impossible so long as the Weiner Man of Kiev is leading that country.

Putin has attacked Kiev! Almost nothing I can think of signals a willingness to escalate this conflict into a WWIII scenario quite like the Kremlin attacking Kiev.

Putin loves Kiev, and has repeatedly stated he did not want to destroy what was the model city of the Soviet Empire.

My first trip to start a Bible college in Russia was in 1992, and I began that 21 day excursion in Kiev, roughly three years after the Berlin Wall was brought down. I travelled all over that historic city. It had been the pride of Russia. Putin was deeply disappointed that Ukraine was separated from Russia.

I’ve also walked all over Red Square and all around the Kremlin, but every time we had time to take the tour, the Kremlin was closed.

The Kremlin has attacked Kiev — Wow! It’s hard to imagine a gesture more significant in terms of escalation! And Russia is demanding Zelensky agree to declare all lands occupied by Russia, namely, the Crimea, as ceded to Russia — and Zel is freaking out!

This is a mess! Look, the justification Putin used to move into Ukraine was talk about Ukraine joining NATO. Secure Russia against that threat, and be done with it. Trump has begun to back up, he is withdrawing and investing his energy elsewhere, like the Congo and Rwanda — which are on a track for peace.

What to do with Russia and Ukraine — Putin and Zelensky. Zelensky agrees not to join NATO, Putin agrees to cease his aggression?

Didn't we always push Israel into accepting such a deal! Right? Gaza attacks, Israel responds by wiping out Gaza, but Israel cannot occupy Gaza? The Golan Heights, remember that nonsense? They attack Israel, Israel in self-defense attacks, takes the Heights, and everybody wants to "go back to status quo" — You know, "okay, okay, Israel, you go back to Israel, we will start over again building up our strength to attack you later." So Israel got tired of that and finally established a peace corridor of land they control as a buffer — in this case, America's presence mining rare earth minerals in Ukraine would provide a "trade buffer" — isn't that a much nicer idea, than a "demilitarized zone" — remember Korea? It's a wasted area, but this would be great for Ukraine, for the US, and for Putin too.

So, Trump is not going to support Zelensky's idea of Russia returning Crimea — not happening! And, apparently, the EU, along with the European Nations in NATO, or Ukraine none of these are going to give up on the idea of Ukraine being made part of NATO — and Putin is not going to return Crimea — that's a non negotiable!

Trump is an honest and just negotiator. That's why he is so successful — he speaks "truth to his neighbor," and executes the judgment of truth and peace in his negotiations. And check out the transparency. Wow!

The fact is, whether or not this call for Ukraine to enter NATO was staged, the fact is, Putin did not invade until Ukraine made open overtures—actually, that's not quite right, you know what? Putin did not move on Ukraine until the US started making open overtures toward making Ukraine part of NATO.

That was poking the Bear, that was an incitement to invade — it provided Russia with the perfect "alibi" — excuse — for invading Ukraine. And it also provides an argument for keeping Crimea, and establishing a buffer along the border of Ukraine and Russia — I'm

not sure how that is going to go, because Russia cannot be rewarded for invading Ukraine — on the other hand, Russia has lost a great deal of blood and treasure in this war and at the end of the day, not only is it true that Russia would NEVER HAVE INVADED if Trump had been President — it's also true that Russia would never have invaded if Biden had not openly declared the US in support of bringing Ukraine into NATO, especially through his spokesperson, Harris.

These who are saying Ukraine had “nothing to do with poking the Bear to attack them,” are missing the point that Zelensky, as an Obama/Biden puppet, probably set up over Ukraine by a CIA color revolution, was egged, encouraged, aided and abetted into making open overtures of joining NATO.

Remember, Obama gave Putin the Crimea.¹² My opinion — the US Deep State has always intended Ukraine to be annexed to Russia since the US CIA orchestrated the “Orange Revolution in 2004.”¹³ Obama came in in 2008 and before he was done, his Russia policies gave the Crimea to Russia. Biden came in to finish off the project. I've never bought the idea that Putin or his counterparts planted within our government here, converted from Marxism. They adapted, but never converted.

Let's see how this plays out, but I expect what we are seeing: Trump is finding it impossible to broker a peace deal in Ukraine because neither side wants peace. I think Putin would go along with a peace deal, but Oscar Mayor piano man will sabotage every effort until he secures immunity for his crimes against the Ukrainian people and from prosecution for all the personal money he syphoned off

USAID disbursements. Zelensky and his Generals are up to their necks in this corruption!

Trump, ever a man of peace, has come close to brokering a peace deal between the Congo and Rwanda.¹⁴ He'll be working to revive the Abraham accords. He'll continue to seek peace wherever he finds anyone actually interested in the peace GOD proffered to humanity when He gifted His Son to mankind: on Earth, Peace, good will toward man.

Hegseth, the new Pentagon head, ended the DoD's advisory committees. Gone! That includes a name you've likely heard a time or two — Susan Rice. ¹⁵ They all got the letter: thank you for your service to the US, your services are no longer required. Clear your desks. Two officers will attend each of you with a third filming everything. One officer will take a pic of every item you remove from the office, paper, paper clips, pens, all your personal items and this will be archived for future use if needed. Hehe! Anyway!

Oh, and also, Rubio replaced his “top US diplomat for Europe.”¹⁶ It's all prep work for the big move coming! And that's important to understand. With all that's getting done, it's organized according to what needs to be done next!

For example, an important part of that work is exposing the devils in the Judiciary — we can't move forward with arrests and prosecutions of people like Adam Schiff or Jack Smith, or Biden,

Hillary, and Obama, until we have brought the courts back under the Constitution, under WE THE PEOPLE!

Jerusalem a “burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it” (Zechariah 12:3). Danny Danon, the Permanent Representative of Israel to the United Nations,¹⁷ rebuked the council for ignoring the realities of Israel.¹⁸

He told the UN [Muslim] Security Council about a 13 year old “Palestinian” boy stabbing a Jewish boy 15 times. In his speech, see the video linked below, at 6:16 into his speech,¹⁹ (See pic. above) Danon presents a school prop used in Palestinian schools to teach their children “How to stab a Jew.” Danon further rebuked them:

“we often talk about ‘incitement.’ You can see in this picture what incitement looks like.”²⁰ This subject is being taught in High Schools, Middle Schools, Elementary Schools.

An Islamist father chased his son with a knife to teach him how to stab Jews.²¹ See the video, linked here. It’s very disturbing! And then take a look at this article, featuring a young Palestinian boy saying, “I hate the Jews” and “I’m ready to stab a Jew.”²²

These are children of self described Palestinians who would be offended if you accused them of being Hamas. They say, we are “nothing like Hamas.” Really?

Here is a young “not Hamas” girl, probably, what, 7, she says “Right now, I am prepared to be a suicide bomber. With Allah’s help, I will fight for ISIS, the Islamic State. I am ready to stab a Jew and drive a car over them. We have to constantly stab them, drive over them, and shoot them. Stabbing Jews brings dignity to the Palestinians. We have to stab the Jews.” And she ends with, “I am ready to stab a Jew and drive a car over them. I am ready to join ISIS.”²³]

The conflict is becoming increasingly focused on the Temple Mount — which is a prophetic expectation.

Some nations are calling for an International Military presence on the Temple Mount — the Islamists are bawling about “dirty Jewish feet” defiling the sacred spot. They want to bar access to Jews and Christians. Danny Danon, Israel’s representative to the UN, said every time Abbas (Hmm, would he be Bar-abbas — son of Abbas?)

is pressured to enter into meaningful peace talks with Israel, they first dodge it by refusing direct talks, they want what's called "shuttle diplomacy" someone carries messages back and to (as Dr. Beckum would say) and the parties do not meet face to face — and this is followed by an array of incitements that distract like flak. I am for peace, but when I speak, they are for war.
