THE SCIENCE OF THE BRAIN MASAGE® / ELECTION INTEGRITY AND THE DIVINE RIGHT OF CONSENT

Original Air Date: 07.28.26

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

For decades, I've introduced my first segment with this:

It's time for your Brain Massage:
[TRUTH].

Where did this *brain massage* thing come from? Can we visit a little bit? I want to get into Trump's Thursday speech—it

was incredible, even CNN hosts are admitting the material the White House released on the stealing of the 2020 election is authentic documentation that compels even the most die-hard election theft deniers to admit that not only was 2020 not the safest, most secure election in our history, but the evidence shows it was stolen, and that China had a hand in the dirty business. Election integrity is EVERYTHING — and I intend to speak to that. But it's the time of the year when we pause to reflect on the early days of the Brain Massage® Show.

So, how did this brain massage thing get started? [Tell the story—students in Bible College]

Years ago, a couple of dear ladies who lived in Lompoc heard me on the radio—this was back when you didn't hear preachers on what they used to call "secular" radio—it was unheard of. I used to get calls threatening my life, to burn my house down, often someone would call snarling threats that they were going to report me to the FCC and have my license taken away. One of these characters caught me — I answer sometimes, when I can — anyway, this guy threatened to take away my license — I said, "What license?" I asked him if he ever heard of the Constitution — this joker said the Constitution forbids people like me from talking about GOD on public radio. Can you believe that? I can tell you right now that many Christians agreed with him. Many agree with that today—well, I mean for genuine, authentic Christianity.

Christians never heard anyone on "public radio" talk about GOD and the BIBLE the way I did. It was strange for people. Now it's not uncommon, but then it was unheard of.

Anyway, these ladies ...

This was the inspiration for the SCIENCE of the Brain Massage:

[SCIENCE OF THE BRAIN MASSAGE:]

And my second segment with this:

[Paul Revere's lantern lighter—lighting the lamps in the church belfry arch, signaling the enemy is on the march: an enemy that would steal from us our liberties.]

We have a very old tradition in our audience of calling the "Lantern Lighter" — that's me — and saying *Lights On* —when I deliver a blow to the jaw of liberty's enemies, or when I bring out a point that illuminates the mind with powerful insight that scatters the darkness and confusion and makes everything clear: you say LIGHTS ON.

Here is how that got started — in the early years on radio, I did a thing called LIGHT ON EDUCATION, where I shed light on what

was going on in our “public schools,” exposing the teachers working as undercover “change agents” subverting the minds and hearts of our children, undermining parental authority, GOD, and Country patriotism—oh yeah! I’ve been at this a long time.

I was the principal of Baptist Christian Schools in Norwalk, CA, back in the early 1980s—the pastor occasionally asked me to speak on the church’s radio program about education, and I was talking about the danger of turning the minds and hearts of our children over to Communist propaganda back then.

Well, when we started our own radio ministry here, we decided to go on our local public radio station. For many years, I was “the opening act” for Laura Schlesinger. I did the show live then, you know, at the studio, radio mic in my face, watching for the red recording light to come on. I got on a roll on a point and was fervently declaring GOD’s mind on the evils of our day and the great danger this brought to our children — and I said, that should get the LIGHTS ON out there — well, back then, folks would call the station in those days — and the phones lit up, people were calling in saying “Tell the pastor my LIGHTS ARE ON,” one guy called and wanted them to tell me he was so excited he was turning his headlights on and off — LIGHTS ON!

Anyway, this caught on, and so I started using it in every show: “Lights on, or Lights off, call 805.314.2114 and let me know what you thought about the show today.

We had lots of fun with all that. Still do.

Some of you have been listening to me for decades, and maybe you have not called in for a while. I know it’s not very satisfying to call and just leave a message—that’s how we have to do it now—but you can always come on by Church on any Sunday morning or evening, or Wednesday night.

There are lots of ways to engage with our ministry here.

I publish a devotional almost every day of the week. You can go to baptistlighthouse.org — or, if you have difficulty spelling baptist, and many do, use santamarialighthouse.org — find the OUTREACH menu link, click, scroll down to SHEPHERD's PASTURE, pick the devotion that interests you, open the page and you'll see my published devotion notes, with a player at the bottom where you can watch my livestream where I teach that devotional lesson.

I also offer a Brain Massage® LIVE podcast — and we are working on setting that up like our Shepherd's Pasture devotions, where you can go to a page on our website and watch episodes of Brain Massage® LIVE.

You can go to brainmassage.net to access a trove of Brain Massage radio/podcast episodes and access my show notes, which are packed with a huge amount of documentation from my research on the topics I discuss on the show.

And, many of you have talked about visiting me at the Lighthouse for years. Don't you think it's time you did? Come on by — if you like guitar and singing psalms, I've written melodies to something like fifty Psalms and we have some favorites, when Lou Silva, owner of Have It Wired, when he's home, he plays bass, and we sing together, it's awesome to sing the Bible — and then I teach a Bible lesson, you can ask questions, and we have a good time — right now I'm teaching my class THE GLOSSARY OF GOSPEL TERMS. All the terms used in the Bible to speak of our glorious salvation.

And From now through the end of the year, I'll be presenting messages showing the relationship between GOD and AMERICA. The first series is titled The Bible and Our Beginning, followed by The Bible and the Declaration, The Bible and the U.S. Constitution, and then The Bible and the Bill of Rights.

Throughout the rest of this year, all visitors will receive a gift copy of my booklet: God's War: a Summary. And during each of the

series, we'll give away: Washington's Farewell, The Bible and the Bill of Rights, and, when it's ready, The Divine Right of Consent to each visitor or visiting family. This is all in celebration of our 250 years of Independence, and our contribution to the continuation of our liberties under GOD.

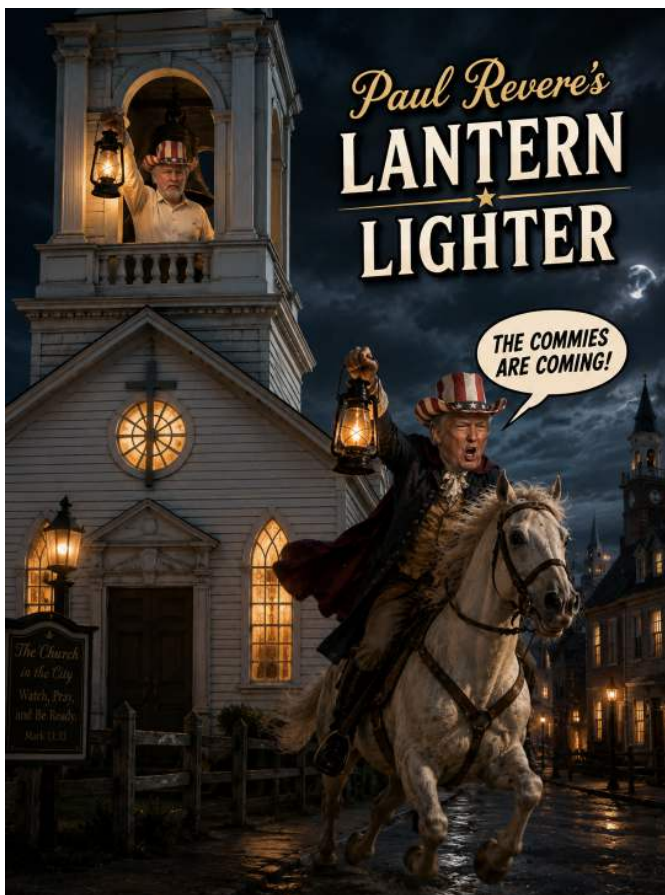

It's time for your Brain Massage®:

Well, I've already used the usual bump for that — Oh, I know, here is one of the openers I would use in the “way back days”:

[PICK A FEW]

I don't use them much anymore for a lot of reasons, but the main one is that there is so much news to cover these days, I had to trim a lot of the fun stuff to have time for the serious stuff.

Hold on through the break — I'll be right back.

Segment .02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march—an enemy that would steal from us our liberty.

One of the challenges I have with dedicating the time and attention I would like to the President's speech is that my audience already knew virtually everything he “revealed.”

What is new, however, is the release of official government documents that point to people in the Obama and Biden administrations who knew about this, purposely kept it from President Donald Trump during his first term, and from the American people.

Remember when Biden slipped and said that whoever he was talking about when he stammered about “you guys,” referring to those who had put together, for the Obama Administration, the greatest election fraud organization in the history of American politics?¹

[INSERT BIDEN STATEMENT: 25.] People have their theories about this - here is mine: he was trying to say something good but snakes have a problem with that: “O generation of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh” (Matthew 12:34). Listen to this exposé on the infamous election thievery that went on in Fulton County, GA.²

Here is the documentation revealing that the Obama and Biden Administrations knew about the vulnerabilities in Electronic Voting and Ballot Counting Systems.³

Obama and Biden Administrations knew about China’s Acquisition and Exploitation of American Voter Data.⁴ Here is a summary of what these files reveal: “Members of the Deep State in our intelligence agencies worked to actively suppress and downplay information about the extent of China’s sinister election meddling—covering it up from both the President and the American People.

U.S. spy agencies began learning about the compromise of voter registration files in 2020, when they discovered that tens of millions of voters' data in 18 states had been bought, stolen, or hacked by China. Yet those responsible for sounding the alarm instead kept the information hidden.”

Michigan Voter Registration Investigation quashed by the Biden DOJ: “The documents state that some canvassers admitted to FBI agents that they signed voter registration forms in other people's names, submitted fraudulent registrations for people who did not exist, and received gift cards tied to the number of applications they produced. The FBI agents working on the case believed that crimes were committed—yet the Biden Department of Justice slow-walked the investigation for years. Director Patel is being directed to ensure that the matter is fully investigated, and to work with the Department of Justice to prosecute those responsible for any crimes.”⁵

And massive numbers of noncitizens on State Voter Rolls.⁶ “According to a D.H.S. review of state voter rolls and public records, they identified approximately 278,000 non-citizens who are registered to vote in federal elections. Since Democrat states refused to share their voter files, the real number is actually much higher—yet even this limited analysis found more than a quarter of a million foreigners illegally registered to vote.”

We understand the need to show ID when traveling. I don't mind showing my ID to fly. (The reason I refuse to fly out of SLO isn't that they want me to show ID to get to my gate. Or to walk into almost any government facility.

There is zero reason for Thug Thune and the rest of the macaroons that sing his tune in the Senate to delay, and crawfish, and dodge , and dilly-dally, and make excuses for failing to get the Save Act passed to the President's desk—except one! They want the political establishment class to control who gets into the club. Trump busted down their doors, and they are panicked that he's going to do just exactly what he promised us he would do — GIVE THE POWER BACK TO THE PEOPLE WHERE IT BELONGS.

The truth is, GOD has divinely ordained the biblical principle of CONSENT.

It's "choose ye this day who ye will serve."⁷ When God took the kingdom from Judah and gave it to the Gentiles—that was their choice, not GOD's. God complained against Israel because "they set up kings, but not by me" (Hosea 8:4). It's all over the Bible, folks.

The People of Israel willingly consented to be a NATION UNDER GOD; they made vows to the GOD OF ABRAHAM, ISAAC, and JACOB — the "voted" that GOD WOULD BE THEIR GOD and no OTHER.

Look at David's example, and, really, every legitimate king of Israel was made king by the PEOPLE. God talked about Israel setting over them a king in Deuteronomy 17, and He made it clear this was not according to His will, but He did not interfere with their choice, even though He disapproved. David was told by GOD that he would be king after Saul. When Saul died, David did not do as the heathen kings and take his army and go take the throne that God said was his.

He asked GOD, " Shall I go up." God said, "Go." He asked God where he should go up. God said Hebron. He went to Hebron and

⁷ Joshua 24:15 ¶ And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

his brethren, of his tribe, Judah, MADE HIM KING. But the rest of Israel refused. David did not gather his army and force himself on the people of Israel. He reigned 6 or 7 years in Hebron, and did not become king of all Israel until the people of the tribes of Israel MADE HIM THEIR KING. God's ruler receive their authority to reign under GOD by the consent of the governed.

It is the wicked who "take the kingdom by force, and with violence."⁸ It is the wicked who take from the people their right of consent. They are THIEVES and ROBBERS, just like their father, the Devil.

Look at every policy of rulers who despise the doctrine of CONSENT. It's always the ones whose policies rob the people, oppress the people, who destroy prosperity, who steal from people their freedom to exercise their inalienable rights—because they are of SATAN: "The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly."⁹

The nations under CHRIST's rule enjoy FREEDOM because they love the TRUTH; they enjoy LIBERTY because of the SPIRIT OF GOD; they enjoy LIFE and ABUNDANCE because that's what JESUS brings to those who willingly bow the knee to Him as KING.

Want to know what Satan has always used to take power over men? Death. Jesus accepted that payment—He died and broke the power of death over mankind; in fact, Jesus took from Satan the power of death.

You cannot subdue a man who refuses tyranny, saying, GIVE ME LIBERTY, OR GIVE ME DEATH. You can't beat that guy.

It's CONSENT.

⁸ Matthew 11:12 And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force.

⁹ John 10:10

Right now, Jesus is king over all the kings of the earth (Revelation 1:5). Right now, in this life, in this world right now, JESUS IS OVER ALL PRINCIPALITIES, POWERS, DOMINIONS, AND RULERS OF THE EARTH — “Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come” (Ephesians 1:21).

You know what He says? He says, “whosoever will may come.” You know what He says, “If [we] confess with our mouths the LORD JESUS, and believe in our hearts that GOD rose Him from the dead” will be saved, “For WHOSOEVER SHALL CALL UPON THE NAME OF THE LORD SHALL BE SAVED.”

You are under the obligation to REPENT and BELIEVE — but you must CONSENT.

Satan and his crowd don't believe in the CONSENT of the GOVERNED. They are self-willed and believe they are our masters, and we live at their pleasure, so they refuse to humble themselves to the will of the PEOPLE. 83-87% of Americans want proof of citizenship to register to vote and a photo ID to vote. Only devils resist that. See America, who are the DEVILS—they are the ones who deny the people their power of CONSENT.
