Iran threats watch-and-pray update: A question many are asking is why there have been no “sleeper-cell” attacks on U.S. soil?¹ I think it's a good idea to keep our eye on this. There have been attempts, which, thank GOD, have been foiled.

The Save America Act continues to stall in the Senate. Why? What is the real reason Thune refuses to do what needs to be done and yield to the will of 80% of the American voters? Consent of the Governed? I think not!

Franklin's advice!

And, if I have time, we'll look at the phony Fauci clown show on the Hill this week, Communism's rise in the Democrat Party, the migrant invasion of Spain and why it matters! Whatever I can't get to on the Brain Massage® radio/podcast, I'll cover Saturday night during the Brain Massage® LIVE episode no. 1113, live-streamed on Rumble, Facebook, the church and my personal page, LinkedIn, X.

Iran threats watch-and-pray update: A question many are asking is why there have been no “sleeper-cell” attacks on U.S. soil?³ I think it's a good idea to keep our eye on this. There have been attempts, which, thank GOD, have been foiled.

Here is what we know: Alleged Kata'ib Hezbollah plot against Jewish targets (May 2026)

Status: Federal criminal charges filed.

The U.S. Department of Justice announced the arrest of Mohammad Baqer Saad Dawood Al-Saadi, an Iraqi national and alleged senior operative in the Iran-backed militia Kata'ib Hezbollah, which the U.S. designates as a Foreign Terrorist Organization. Prosecutors allege he: 1. planned attacks against a synagogue in New York City, 2. planned attacks against Jewish centers in Los Angeles and Scottsdale, 3. supplied photographs,

maps, and operational guidance, 4. believed he was working with a Mexican cartel member, who was actually an undercover law-enforcement officer.

The DOJ also alleges he was involved in nearly 20 attacks or attempted attacks in Europe and the United States on behalf of Kata'ib Hezbollah and Iran's IRGC. These are allegations contained in the criminal complaint and remain to be proved in court.⁴

Two men representing ISIS (Islamic State of Iraq and Syria) attempted to detonate improvised explosive devices in Manhattan, NY, outside Gracie Mansion, the Governor's mansion. Police described it as "ISIS-inspired terrorism." The devices failed to detonate.⁵ In case you are interested, here is a dossier chronicling the Shia Occupiers of Iran's assault on the Western World since 1979 to the present.⁶ The latest are reports of threats against the U.S. President. In May, as I mentioned earlier, Al-Saadi/Kata'ib has been arrested on allegations of Hezbollah operations involving attacks and attempted attacks on U.S. soil on behalf of the IRGC. In March, we had a "murder-for-hire" attempt called the Asif Merchant plot. And the list continues, documenting repeated attacks or planned attacks by IRGC-connected terrorists since 1980. The list should include that attack on our Embassy in Iran when the Shia occupiers took control of Iran in 1979.

During the Biden administration open border policy, more than 1,750 Iranian nationals were intercepted and arrested at our

A March 11, 2026 Washington Times article titled “How real is the threat of Iranian sleeper cells in the U.S.?” tells us, “Federal officials are warning law enforcement agencies to remain alert after an encrypted broadcast tied to Iran’s regime raised concerns about a possible activation signal for covert operations abroad.”⁷ The Washington Times AI News Desk reported: “A Department of Homeland Security assessment previously concluded that Iran remains a major state sponsor of terrorism and continues efforts to build surrogate networks that could target individuals or interests in the United States.” [IBID.]

As always, I encourage you to be prepared with food supplies that will carry you through at least 3 months of disruption of your usual sources, get some alternate forms of transportation, like a bicycle, and get armed with sufficient ammo to reasonably protect yourself and your family. Remember, Jesus said that while He is gone you are going to need to take some security and provision matters into your own hands—with His blessing and provision—listen to Jesus’ counsel on this matter:

Luke 22:35 And he said unto them, When I sent you without purse, and scrip, and shoes, lacked ye any thing? And they said, Nothing.

Luke 22:36 Then said he unto them, But now, he that hath a purse, let him take it, and likewise his scrip: and he that hath no sword, let him sell his garment, and buy one.

Luke 22:37 For I say unto you, that this that is written must yet be accomplished in me, And he was reckoned among the transgressors: for the things concerning me have an end.

Update on the war against the Shia occupiers of Iran: When the Senate gets it right, give honor to whom honor is the biblical rule: “US Senate rejects bid to rein in Trump’s authority over Iran war.”⁸

Trump says drones hitting Iran’s neighborhoods have loosened their tongues — a little. Okay, that is a characterization — I talked last night, that’s Thursday night, during the Brain Massage® LIVE episode No. 1112, I talked about the difference between accurate description and honest characterization. A characterization can be a logical and reasonable inference drawn from a description, but the legitimacy of the characterization depends entirely upon the authority of the description. So, what I offered was a characterization based on the statement Trump made on July 27, 2026 at 2:46 AM PDT.⁹ (Referenced here: You take a listen and then tell me if you think I have correctly characterized the statement.)

Trump reported that “their people” have asked for the bombing to stop, they want to talk, and they said, “we’re having good talks,” and our President said, “so, we’ll see what happens,” and pulled back, saying if this works out, that’s good; if not, we will go back to what we have been doing. He was asked how much patience does he have left? Trump is the most patient man I’ve ever seen, I mean, other than my Dad. My Dad was incredibly patient, I mean, Job-like patience. It was amazing. Trump said he has plenty of patience. He certainly has more than I do.

Personally, I think Trump knows these people are playing around, delaying, trying to run out the clock in the hopes the November mid terms will turn the Congress and Senate fully against Trump — but like every other plan these Devils have used to stop the American people from rising up and taking this Republic back under GOD and in service to the GOVERNED, let's pray, this too will back fire on them and stoke the fury of the MAGA movement to overwhelm the remaining strongholds of Satan in this country and break us free from these oppressors and haters of our freedom and liberty.

You want to know who hates freedom and liberty? Jesus said the TRUTH shall make you FREE, and where the Spirit of Christ is, there is LIBERTY. It's the antichrist haters of the declaration that CHRIST IS KING and haters and perverters of the TRUTH. Who are the people running into the arms of dictatorship? The haters of truth and the haters of Christ.

More good news: Hamas “confirmed Friday (July 31, 2026) that IT WILL DISARM in a potential breakthrough for ending the war in Gaza.”¹⁰

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march—an enemy that would steal from us our liberty.

The Save America Act continues to stall in the Senate. Why? What is the real reason Thune refuses to do what needs to be done to yield to the will of 80% of the American voters?

The House passed it AGAIN! They passed it on April 10, 2025, again on February 11, 2026, again in July — but Thune and his fellow Aristos arrogantly defy the will of “We the PEOPLE.” There are ways to address this that he refuses to employ and that can only be for one reason: The Senate aristocrats imagine themselves to be the protectors of the GOVERNMENT and not the GOVERNED. We must send them a strong, unambiguous, and clear message that in America, the GOVERNMENT works for THE GOVERNED. The central issue in this debate is on the question: does the GOVERNED work for the GOVERNMENT, or does the GOVERNMENT work for the GOVERNED?

Nothing is more obvious than that these Senators believe their job is to protect the Government from the Governed: Susan Collins, Mitch McConnell, Lisa Murkowski, and Thom Tillis.¹¹ By the way, I think this was prearranged by Thune; I think the guy is a Deep State thug, and I believe he sees himself, as McConnell did before him, as the great “Protector” of the Senate from the great unwashed. I believe he despises the MAGA movement and thinks himself above U.S., above the GOVERNED. He has been shown a clear path to pass the Save America Act and hides behind the four Senators willing to take the political heat because their positions are safe from WE THE PEOPLE. I think these four traitors against the fundamental principle of our Republic — the CONSENT OF THE GOVERNED — are protected by the same system used by the Demoncrats to rob the GOVERNED of a responsive GOVERNMENT — 80% of the American people have said they want voter ID and proof of citizenship to register.

It's up to the MAGA Senators and MAGA Patriots to stoke the fire that will burn these traitors out of office. Don't forget! Thune, Murkowski, McConnell (and where is that guy? Pulling another Biden and Bader trick on us?), and then there is Thom Tillis. This gang is protecting the Government from the Governed, and they are especially dedicated to defeating the MAGA principal objective: Make America Great Again by turning the power of the GOVERNMENT back into the CONTROL OF THE GOVERNED by passing the Save America Act NOW!

What's that, no, please, say again! I agree that most of the Republican Senators want the Save Act passed, but I don't agree that Thune is one of them. In fact, you want another bit of strong evidence that what I'm saying about these Aristo Senators is true? The Anti-Weaponization Act - guess who opposes it? Thune, Thom Tillis, Cornyn, Bill Cassidy. These jokers have to at least look conservative while they attempt to elevate the Senate above the PEOPLE, to bring the GOVERNED under the GOVERNMENT, these wicked devils don't even want to provide to Americans damaged by the weaponization of government. What do these devils have planned for us? Why would they not REPRESENT THE PEOPLE VICTIMIZED BY GOVERNMENT and instead REPRESENT THE GOVERNMENT AGAINST THE GOVERNED? It's flipped my friend.

These are not the majority of the Senators, but it's enough, without using the filibuster the way it was designed, to stop the MAGA movement. November 2026 is our opportunity to raise our voice to a ROAR: GIVE US FREE AND FAIR ELECTIONS OR ELSE YOU ARE FIRED!

It's time to get angry, and sin not! Calling all MAGA Patriots, it's time to rise up and overwhelm these foul, devils taking power we gave them and turning it against US — can you imagine any American patriot protecting the GOVERNMENT from the

GOVERNED — that's what dictators do, that's what the IRGC does — it protects the government against the governed — you want to empower a spirit that would kill Americans in the streets if they are perceived to be a threat to their power? WE THE PEOPLE ARE THE POWER. Trump gets it, MAGA patriots get it —

THUNE, Tillis, Cornyn, Cassidy, Murkowski, Collins, McConnell — and all the DEMS — don't get it. They want to shove their elitist, arrogant presumption of power on us — SHOW THEM THE POWER OF THE PEOPLE. Resist these devils! Submit to GOD and resist these devils. Remember what Jefferson taught us: resistance to tyrants is obedience to GOD.

Get in there and start WRESTLING AGAINST these WICKED PRINCIPALITIES, POWERS, and AGAINST THE RULERS OF THE DARKNESS OF THIS WORLD — don't give place to the devil, not an inch. STAND!

And if you think you can do this without GOD, listen to Benjamin Franklin:

"I have lived, Sir, a long time, and the longer I live, the more convincing proofs I see of this truth—that God governs in the affairs of men. And if a sparrow cannot fall to the ground without His notice, is it probable that an empire can rise without His aid? We have been assured, Sir, in the sacred writings, that 'except the Lord build the House, they labour in vain that build it.' I firmly believe this; and I also believe that without His concurring aid we shall succeed in this political building no better than the Builders of Babel."¹²

He quoted David, and his prophesied son, JESUS the CHRIST.¹³ He was referencing the BIBLE. The Bible is embedded into every support of our Freedoms and Liberty; it is the bedrock upon which this nation stands, and separated from it, this nation will surely fall.

Here is what it says about a nation that forgets GOD: “The wicked shall be turned into hell, and all the nations that forget God” (Psalm 9:17). David wrote this by the Spirit, and this too: “The God of Israel said, the Rock of Israel spake to me, He that ruleth over men must be just, ruling in the fear of God” (2 Samuel 23:3).

And He said, when you pick rulers, pick those whom the LORD thy GOD shall choose (Deuteronomy 17:14-20). Because if you don’t, you’ll be ruled by fools, selfish, arrogant, tyrants who will take away your liberties and your livelihood.

Ask the “immigrant” merchants in NewYork, who are being put out of business by that wicked Communist/Muslim Mamdani and his state-owned grocery stores.

If the GOVERNMENT wanted to help the GOVERNED, they would not encourage fraud to rape the funds they steal from the people under the pretense of helping the poor—THAT’S NOT WHAT THESE PEOPLE ARE ABOUT — they are about subjugating the GOVERNED under the GOVERNMENT, and the poorer we are the easier they control us. They hate the poor and give nothing to their relief that they don’t first steal from you. Wicked rulers, like Mamdani, like AOC, who drove away jobs for the people of her district, or Pelosi, who uses her fake “compassion” for the poor as a cover for her own selfish use of her power to enrich herself — liars, cheats, and thieves.

¹³ Matthew 10:29 and Psalm 127:1

The reason they don't want you to have safe and secure elections is they have no intention of honoring the principle, the foundational principle of our republic: THE CONSENT OF THE GOVERNED. They want you to live and breathe and prosper or rail by THEIR CONSENT. They want you living under the power of THEIR CONSENT —

Stop it now, or lose your liberty!
