“NEW DEMOCRAT”?

Original Air Date: 09.26.26

Segment.01 Hello. I’m Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Some awesome announcements:

Pastor AJ Harold is the father of nine amazing children, and pastors in Bellflower, CA. He regularly posts a video clip titled *Hey Dad* that I really enjoy. They are very good, and

I repost them on my facebook pages. He will be joining me on the BrainMassage® LIVE broadcast on October 13.

Most of you know I’m pastor of the Lighthouse in Santa Maria, CA and I’ve authored a bunch of books, and I’ve been at the plow for a lot of years. Pastor Harold thought it would be good to do a question and answer show from time to time—you send your questions to us through our website contact forms, through the church site, which is baptistlighthouse.org, or the brainmassage.net and give us your question. You can also ask live, but it’s slow! If you type in your message to me, when it shows up, Pastor Harold will be watching and will pass the question to me—but, jump in on this.

Go to BaptistLighthouse.org and send your question to us now, I’ll go over them on Tuesday night’s BrainMassage® LIVE

usually begins at about 8 pm, and the show will be dedicated to answering your questions. Many of you connect with us on brainmassage.net so you can reach out to me through that website too.

We'll discuss whatever is on your mind. October 13, that's Tuesday evening, at around 8 pm. Of course, the show will be available for replay, so you can send in your question, and then catch my answer at your convenience.

I'll take whatever questions we receive.

Okay, my friends; it's time for your brainmassage®:

[TRUTH]

Coming into the Trump Xi summit I asked: will Trump bite Xi's bait? We got the answer!¹

Trump tells Xi “material support for Iran’s war-making capability is totally unacceptable.” As of this morning, we could not get any confirmed response from Xi, but now, 6 PM Pacific, our U.S. Ambassador to China, David Perdue, reports that the Chinese President Xi Jinping assured President Donald Trump that China would stop providing assistance to Iran. The Washington Examiner reports Perdue saying Xi gave Trump that assurance after Trump told him Chinese aid to Iran was “totally unacceptable.” Reuters independently reports Perdue's account that Xi gave assurances concerning Chinese support for Iran.²

What is the right way to deal with the CCP?

Iran puts a seven-day proposal on the table.³

You probably heard that idiot president of Iran, Pezeshkian, fill the UN with the stink of his lying heart, chumming the media waters for some Lame Stream Media to take the bait and run with his outrageous distortions and bald faced deceit.

Pezeshkian could not have been more pleased with his “Ansars”⁴ in America (*An-SAHRS*’ is an expression used to identify those who welcome and support Islamists). The facilitators of Islamization—like Tim Walz. Consider the MSM coverage this guy got, and compare it to how the same devils covered Trump’s speech.

AP, CNN, CBS News, PBS NewsHour, Axios, the LA Times, and Washington Post, all with sympathetic tone and framing, and to a lesser extent, and more honest framing, FoxNews.

The typical MSM coverage emphasized Pezeshkian’s complaint that the Shia regime was being picked on by big-bad-bully-Trump, with framing that juxtaposed the effeminate president of Iran—even when this guy says our “heads will not bow, and our knees will not bend” it comes across as weak, feckless, and whiny. This sort of thing really appeals to blue haired white-liberal DOUBLE X types—anyway, MSM put this character side by side with Trump’s statement that he is thinking about annihilating the regime altogether—of course, lifted from its broader context, like they did with his Charleston comment—remember, “very fine people on both sides”? These people are liars, they are fakes, phony, liars.

Guess who took the lead in this characterization of Pezeshkian's speech—well, that wasn't hard. What's that? You didn't hear it — CNN—The Communist News Network. They played up the school bombing thing—these guys, the Iranian regime, these guys literally hide their military operations in schools, they routinely use women and children as shields, they — well, I'm talking to an educated bunch here, you know what's going on.

How DARE these wicked, vermin, raise a picture of mutilated children whom THEY MADE A TARGET, who routinely sacrifice their own women and children to their god who is like Chemosh or Molech and not at all like the God of Abraham, Isaac, and Jacob.

Our Secretary of State, Marco Rubio, was asked a question by a female reporter who did not identify herself, but I think it was CNN's Kylie Atwood⁵ (don't quote me on that), but this reporter asked for a statement responding to the Iranian Shia President of the occupying oppressors of Iran, really, a shill for the Shia dominated IRGC military (by the way, that's not the reporter's characterization of the current president of Iran, you can probably guess whose characterization it is)—and Rubio's response was classy and, as usual, on POINT:

[INSERT: 78.RUBIO "NUKES" IRAN'S VICTIM PLOY_1 — use it all.]

You gotta love this American!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march—an enemy that would steal from us our liberty.

⁵ 1110.28.1-ATWOOD CNN.com - Transcripts.pdf https://transcripts.cnn.com/show/cnc/date/2026-09-23/segment/09?utm_source=chatgpt.com Given her role at CNN, her presence at the press conference with Rubio, and her reporting after, it seems likely it was Atwood.

Almost six months ago, I received information about the JFK assassination that points the Sophie-Finger at a mystery shooter—not Oswald! We think the guy who triggered the kill shot has been identified—we sent him a letter. (Hehe!) No, really! I’m not kidding. Okay, quit rolling your eyes. The sourcing is credible, from people I know personally, who are connected to people with the bonafides, and proximity to what I’ll refer to as some “secret” files. I can’t give out the names — yet. I’ve been examining the physical evidence that was sent to me, more to come, and, well, I can totally understand why this whole thing just won’t go away.

I’m passionate about some things: truth, liberty, and justice run together in the lead pack. I’m working to vet this, and my only hesitation has been that some of the key components of the testimony include people unwilling to be named publicly. But we’ve got some physical evidence, in the way of video frames, and testimony from experts that deserves to be considered. I’ll tell you more as we get farther along in the vetting process and closer to “show time.”

SCOTUS (6-3) has ruled the Administration may continue using its voter eligibility database while the case is being litigated.

The MSM tries to black list the U.S. President. Talk about Election Deniers — Democrats are the absolute worst offenders.

They call us election deniers because we want fair and honest elections within the limits prescribed by law — you know, that bit in the Constitution about a CITIZEN’S right to vote.⁶

Article I Section 2 tells us the qualifications required to vote for a member of the House of Representatives, will be the same as those required to participate in the election of members of the

largest legislative body of their state. The CA Constitution is very explicit: “A United States citizen 18 years of age and RESIDENT IN THIS STATE may vote.”⁷

There is one and only one reason CA does not want to participate in the Federal SAVE citizenship verification database, which may be used by States to conduct citizenship VERIFICATION for registered voters, including the use of the Social Security Administration records and Social Security Numbers.

What do the Democrats that run CA have against the SAVE voter eligibility database? It's that word *SAVE*: because it means Systematic Alien Verification for Entitlements. It was set up to verify citizenship to access Federal government benefits programs, and licenses. Trump came along and decided it would be good to use it to purge voter rolls of illegals, so he signed an Executive Order to expand the use of this database for voter eligibility.

Makes sense, right? We've already been using it to verify government benefit eligibility, why not also use it to purge voter rolls of illegals registered to vote?

You see, the crooked Democrats running CA can make their own rules governing access to State benefit programs, but when it comes to federal elections, and they've gotten away with ignoring this database for how they spend Federal benefit money, something that's being looked at closely right now; but they sure don't want to use the database to verify the voter rolls in this state.

Why? You're kidding, right! Of course you know! Dirty voter rolls provide cover for dirty elections. There is one Party that believes in law and order and another one that doesn't. Do you

know which believes and calls for the rule of Law, and which one wants to, well, where do I start: defund the police, allow criminals to ransack stores and, what was that, they had changed the law making such theft a misdemeanor that required police to personally witness the theft before they could make an arrest without a warrant, store owners were encouraged to absorb the loss, and during all of this, catch and release border violators, became what can be called virtual catch and release rapists and muggers.⁸ (See my links here). All of this comes down from Democrat policies and governance. Look, you want to live in a city where you need a poop-map to walk the streets — vote Democrat.

Okay, I need to move toward a wrap for today's show.

The current state of US. Elections!⁹

Let's listen to the New Democrat:

Let's start with Abdul El-Sayed, the Socialist backed Democrat candidate for U.S. Senate in Michigan. Hasan (*Hamas*) Piker campaigned for and with El-Sayed, who received his endorsement: this guy says America deserved 9-11, supports Hamas, declared, "I want Chinese style communism to happen inside of the Democratic Party right now."¹⁰

El-Sayed, privately, when cameras are off, when hanging with his buds, is all love for God hating, soul destroying Communism and hatred for biblical economic models reflected in independent

entrepreneurial capitalism. But when in the general public, he says, “I am a Capitalist.” His supporters explain that it’s a ploy to get elected.¹¹ They are perfectly okay with lying and using deceit because in their view, they are at WAR against America as founded and so any means necessary to prosecute that war are allowed.

Here’s a great Democrat: Dr. Annie Andrews, a pediatrician running for the U.S. Senate in S. Carolina—she supports the mutilation of children in the name of “gender affirming care.”¹² How about we affirm the gender God assigned to them—you know, the XX and the XY thing?

Talarico calls himself a Christian and attends, actually is a lifetime member of St. Andrews Presbyterian Church in Austin, TX.¹³ He made a speech declaring God is non-binary; I preached a sermon on that and now he is walking that bit back a bit! Hahaha! Don’t think that particular heretic has ever heard of me, “if you know what I mean.”

The priestess of his church said she would go farther than that and say that Jesus is trans? His resurrection was not only a transformation, but a transition? To what? It’s weird to hear these people distort the Bible, twist it in their own image; indeed, the make God into their own image, worshipping and serving the creature rather than the Creator (Romans 1:17-32).

This pathetic woman says Jesus was given His male identity from Mary when she called her Baby a boy! Well, he was circumcised the eighth day, so, good thing! (Luke 2:21). The angel told Joseph his wife would have a SON, not a daughter (Matthew 1:19-21). Can you believe we’ve come to this; we are debating whether the Bible differentiates male and female — when from the

beginning, GOD said, “male and female created he them” (Genesis 1:27).

So, to what did Jesus transition? He prayed, “Father, glorify thou me with thine own self with the GLORY I had with thee before the world was” (John 17:5). He is called Father, not Mother. He was before - a male!

Here’s the thing! Why do these people call themselves “Christian” and then deny everything that defines the word? Talarico is okay with being in a church where the pastors deny that Jesus was born of a virgin, or arose from the dead; denies that Jesus’ death was an atonement for our sins, I mean, there is nothing left in that church that even looks like biblical Christianity yet Talarico claims he believes in *biblical Christianity*. My point is the entire church is a LIAR — he is a liar, and the church he belongs to are liars.

Who likes to dress up like a sheep so he can get close to the flock? The answer is wolves.

Why do heretics want to identify as Christian? If they don’t believe the Bible is God’s word, they don’t believe in miracles, they don’t believe in, well, here we go again, they deny the virgin birth, the atoning death, the resurrection of Christ, even doubt the historicity of JESUS HIMSELF — what is the point of calling yourself a Christian?

The only people who want to dress like sheep and deny the Shepherd of the Sheep, are wolves who want to devour the sheep.

Why would anyone want a lying, thieving, Bible wresting, Christ denying as the Bible identifies him heretic to govern them?

Want to know when God turns His people over to the rule of the heathen? When they turn to the ways of the heathen. Want to know when God turns a nation into Hell? When they “forget God.” Want to know how a people come to forget their Creator and their

Christian heritage so totally they can call themselves Christian while denying virtually everything that defines a Christian? Turn away your ear from hearing the WORD OF GOD and tune your ear to the voice of Satan in the world—just do what Eve did!

Satan is a liar and the father of it.

I have lit the lamps in the Church belfry arch. Now let me know if you see them.
