[TRUTH]

The loss of freedom begins with the loss of truth.

Anyone who can rationalize the murder of babies in the womb, denying the most fundamental of all inalienable rights, "right to life," will have no problem rationalizing away your right to

free speech, freedom of conscience, assembly, redress, consent - none of your rights are safe in the hands of such devils.

Think about it. Saying the baby in the womb is the "product of conception" does not make the Baby inhuman anymore than saying a man is the property of some cotton farmer makes him any less a man. The marvelous connection between the mother and the baby growing inside of her enhances the value, and the dignity of the life of that baby—it does not make the child in her womb any less human to call him or her a Zygote, the Morula, the Blastocyst, the Embryo, a fetus, or Neonate (that's birth through Day 28)—call him or her whatever you want to call them, infant, toddler, child, teen, middle aged, old aged, or Geriatric — from the moment the seed joins the egg and the light of life flashes—it's a human being.

And I don't care if you call a biological male a female, he's still a he; and you can label a female as a male, but the chromosomes don't lie — you can lie, but the science does not — well, unless by Science you mean Fauci. Whatever rationalization you use to deny reality, you've got an XX differentiated from the XY, and that's that! Deniers of reality are liars, and every liar ultimately ends up in the lake of fire (read Revelation 21:8), in eternal oppression, eternal damnation, eternal slavery to the father of lies—Satan.

Lies always lead to destruction both in this world, and in the world to come.

Anyone who can contort their mind into accepting as "normal" what God said is "contrary to nature," has broken from truth and embraced the lie, and somewhere along the way, they will enter into oppression, or become an oppressor. Lies lead to bondage, truth leads to freedom.

Every oppressor is a liar—the Marxist says there is no God, that government grants or withdraws human rights, that man is his own creator, he is God so long as he serves Baphomet, the gender blended human-animal blended god representing Satan — what

"spirit" do you suppose is at work moving any human bearing God's image identifying as a cat, or a dog, or a wombat; what spirit is active in the minds of those who tell and or believe the lies of the Tran cult? I don't have to tell you! Well, if I do, if you don't see that turning from the truth of reality leaves you engulfed by lies, and if anyone follows lies they are moving from freedom toward tyranny.

Every liar is the friend of Satan, the father of the lie, and they walk in darkness; those who do TRUTH, Jesus said, they will come to the light — they accept the reproofs of truth — the Spirit of Christ is the Spirit of Liberty — the Spirit of Christ reproves the world of sin (and every sin is a lie—every sin is a lie—from the first sin, to now — Eve believed Satan's lie, and sinned — and every single sin is either a purposed deceit and acceptance of deceit, which invariably makes the liar a servant to the father of the LIE.

Anyone so blind they accept outrageous lies is moving ever deeper into bondage, giving away a bit of freedom, surrendering away a bit of their liberty, with every lie they tell and/or believe.

The LIAR is of their father the devil.

Here it is — every lie separates you from truth, every lie increases that separation, over time, you become lost in your lies and the only hope of recovery is TRUTH. Turn now, and begin "doing truth."

Election Fraud Watch:

Here is a testimony out of New York that is chilling, although not surprising[2] - use https://x.com/WallStreetApes/status/2115168387676635574?s=20 Her name is Lulu Friesdat, she is co-founder of SMART Elections, dedicated to election transparency. I

checked this out and it's a bonafide story, I know, Lulu? Really? Anyway, if you listen to her testimony you'll think, *here we go again*. It sounds exactly like what happened in 2020. The haters of consent are going all out—they know what this election means.

Lulu is suing New York city.[3] New York Election Law Section 8-500(3) provides that authorized poll watchers may remain from before voting equipment is opened until after inspectors' returns are signed and results proclaimed. This is stipulated in the New York City Board of Elections Poll Watcher's Guide. I'll watch this suit: some argue that because this was "early voting" the machines are not necessarily sealed every night! Hmmm, why did the guy say he was sealing them, then?

Mamdani instructs New York voters that they "don't need to bring anything with [them] to cast [their] vote."[4] In other words, you don't need any ID. And he assures the illegals, don't worry, ICE can't be there without a warrant. He did not directly address the illegals, but that's who the message is for.

Now, think about this! Democrats fight against every effort to secure our elections against illegals voting; part of their argument is that it rarely happens. They fight against common sense provisions, like proof of citizenship to register and voter ID. They claim these provisions make it "hard to vote." By that rule, they are perfectly willing to make it "hard" to attend their events, requiring ID to enter. They make it "hard" to fly, drive, obtain a passport, entering many federal buildings, serving on a jury, purchasing a firearm (a right protected by the Second Amendment), unless you are an illegal, applying for government benefits, Omar had to show ID to

marry her brother, to register a vehicle, to open a bank account, to apply for a credit card, a mortgage, a loan, to open a brokerage account, to send or receive money, to withdraw money, to rent an automobile, to check into a hotel, to buy beer, or wine, or any booze, to buy tobacco, to enter a bar or other age restricted establishments, to get weed where permitted, entering casinos, to get a job, unless you are an illegal, renting an apartment, unless you are an illegal, picking up packages because we want to make sure you are not trying to steal someone else's package—stealing someone else's vote, no big deal, but stealing their new toy, that's different.

It is the law that only legal citizens who are residents of Minnesota can legally vote in that State—and Democrats don't want any enforcement of that law except when James O'Keefe, founder and leader of OMG — O'Keefe Media Group — shows up at a polling place wearing a burqa with an unregistered Muslim and approaches a poll worker, asks for a ballot, and whether he can vouch for someone,[5] without showing any ID to show how vulnerable Minnesota election laws are, and how they facilitate fraud—now, THAT IS THE SORT OF ELECTION FRAUD THEY WANT TO PROSECUTE to the fullest extent of the law. The crime of voter fraud? No big deal! The crime of exposing it! Now, that's something else.

Believing personal ID is necessary in virtually every consequential transaction in life, except in what is probably the most consequential transaction of citizenship—choosing who will rule the nation—is a lie; a lie that leads to the loss of freedom and over time, to the shackles of tyranny. Vote Democrat, and you are casting your vote for the LIE.

CA Proposition 39 provides for establishing citizenship to register and showing valid personal ID to vote. The Republican leaning Coalition for California, and the president of Right Path California Issues PAC, led by the FORMER Chairwoman of the CAGOP, refused to place this proposition on their voting guide? Jessica Patterson led the CAGOP from 2019-2025, under new leadership, Corrin Rankin, the CAGOP has moved solidly into alignment with MAGA — Rankin served as CA Coalitions Director for Trump's presidential campaign, in 2020 she served on the national advisory board of Black Voices for Trump, in 2024 she was media surrogate for Trump's presidential campaign, and selected as one of California's Republican presidential electors pledged to Donald Trump and JD Vance.[6]

enemy is on the march—an enemy that would steal from us our liberty.

Pope Francis declares "all religions are paths to God."[8] He likened religions like different languages. Wow, here's an example of spiritual ignorance if I've ever seen one.

The Muslim religion is a language for talking to God? Hindu? Hmmm. Okay, well, then, according to the Bible God does not "hear" those languages. Our iniquities turn His ear away (Isaiah 59:1-2). Last I checked, hatred for your "brother" is a sin—what's that about love your neighbor, is it qualified with unless he is Jewish? Is that how that goes. I don't think so! Refusing to accept another person's freedom to choose their "language," and threatening them with slavery or death if they don't convert? So, if Islam is merely another language to talking to God, I can tell you right now, He is not listening to that language.

There is something in the bible about idolatry, so Hindu is another language God will not "hear." With one exception!

If we are talking about repentance and faith toward the Lord Jesus Christ, God manifest in the Flesh — he'll hear that. Both of those religions deny the exclusive claim of Christ to be The Truth, the Way, and the Life—and to clarify His meaning, He added: "No man cometh unto the Father, but by me" (John 14:6).

Does the Muslim "language" lead to Christ? Does the Hindu religion lead to Christ? No! These languages are paths to Hell, not to heaven.

One's first denial of truth is one's first step toward the loss of freedom. Every lie leads to servitude. Every lie leads toward the loss

of liberty. Every lie is a step away from GOD, who is TRUTH, and toward Satan who is a liar and the father of it (John 8:44).

I know many believe the Antichrist will hold the office of the Papacy—it was believed by early adherents of Ellen White's followers that the Papal tiara[9] was inscribed with *Vicarius Felii Dei*. In Roman numerals, this equals 666. But later, I think it was in 1948, Adventists confessed that the pictures showing this inscription on Peter's crown were "dubious."[10] Nevertheless, the *Donation of Constantine,* in which the Pope is given this designation: Vicarius Filii Dei, is a document purported to have been created in the fourth century, documenting the deed of vast lands to the Papal "See" in cAD 314-317. In about AD 1400, it was proven to the satisfaction of those learned in canon law, and became generally agreed to have been a medieval forgery based on legends dating to the 5th century, and composed into a document in the 8th century, and incorporated into official canon law (see the history of this doctrine in the following notes).[11] [12] [13]

However, this title continued to be used to describe the Papacy as late as 1914. Here is a facsimile of a Catholic publication

called Our Sunday Visitor, dated November 15, 1914 in which the Pope is called Vicarius Felii Dei.[14]

Because Protestants made so much hay out of this, especially here in the U.S., you know, that whole freedom of speech thing the Catholics have not always been so fond of as they now appear to be, hammering the church with the fact that Vicarius Felii Dei equals 666 by Roman reckoning, it was decided to specifically repudiate the claim this was ever used as a Papal designation, and yet, all that was taught, maybe I should say, the essential idea of the phrase is retained in the Catholic doctrine of the Vicarius of Christ — that does not equal 666, and so it preserves the essence of the notion without pinning a huge Kick Me on the back of their white papal cassock.

Alas, in fact, prophecy tells us that the Beast is not the Roman religious system that is today the Roman Catholic Church; the religious system, identified as MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. She is the woman that rides it (Revelation 17:4-6, 18). Furthermore, prophecy instructs us the Woman will provoke the Beast, who will turn on her, cast her off of its back, and trample her into the ground and burn her with fire (Revelation 17:15-18).

That's what happens when you make all the compromises necessary to join forces with Islam and Communism and try to reign over a one world government dedicated to the eradication of true Christians.

air or ground invasion. We already know that we are under indirect attack from Communist China, and Authoritarian Russia, both using state controlled capitalism to fund their oppressive regimes; and these are understandably aligned with Iran, working through the Democrat Party in America to rob from us our liberties. They can only succeed if we follow the LIE — the Lie of Marxism and Humanism begins with denial of God, and proceeds to deny the rule of Christ Jesus our Lord. All these kings of the earth who love oppression, hate the consent of the governed, and despise the formation of "We the People" into a Republic where those who rule receive their just powers from the consent of the governed.

Those who suppport that system have taken Brazil, and Cuba, and China, and Russia—and Iran, and now this spirit has risen in the U.K., and many other countries, and every one of them was seduced by devils into departing from the truth and embracing lies. Every nation that forsakes the TRUTH and embraces LIES comes under the power of the "Father of lies," Satan!

This LIAR is raising its power greedy visage in America — we must combat these liars and the only power sufficient to break the seductive influence of the liar is the TRUTH doer — not only the truth sayer, that, indeed, but power is in the TRUTH DOERS.
